

Substitute assignment for Introduction Course for Bachelor's students (ECON-A1000)

The purpose of this assignment is to support the planning of studies and help students acquire knowledge on different study options and minor studies available.

Assignment

Read the materials below and write an essay of 1-2 pages in which you demonstrate your familiarity with the materials in the links provided.

Your essay should answer the following questions:

- What types of minor options are there available in Aalto and outside Aalto?
- What other studies have you planned, for example, as a minor, business studies or elective studies and why?
- Have you already thought about master studies? If yes, what are your plans for the master's degree?

You can also think about your goals and future dream job. What knowledge and skills you might need in your future dream job and how will your studies support this?
