Curriculum development
Session 5: Long-term development

Curriculum development -course 2023

Today's session

09:15–09:20   Agenda and schedule for today

09:20–10:00   3 project presentations

BREAK 10 min.

10:10–10:55   3 project presentations

BREAK 5 min.

11.00-11:10   Reflection of the course and your learning

11:10–11:40   Long-term planning with the teams

11:40–12:00   Course feedback

Intended learning outcomes and content of the course

After the course, you will be able to:

1. to discuss the different approaches of the curriculum in higher education
2. to identify the curriculum development process and practices and reflect on them in relation to their degree programme/major/minor
3. reflect the principles of constructive alignment in curriculum development
4. identify and apply tools in curriculum development
5. co-develop the curriculum together with the teaching team involved in the development
6. **make a plan for continuous development**

Our main topics in the course:

- Curriculum in higher education, different approaches
- Constructive alignment in curriculum development
- Development process of the curriculum
- Co-development of the curriculum
- Tools for curriculum development
- **Continuous development**

Curriculum Development –course timeline

Session 1: Fri 14.4.2023 at 9.15-12.00: R028/R107 Väre
Introduction to curriculum development

Session 2: Fri 28.4.2023 at 9.15-12.00: U401 Otakaari 1
Curriculum development process

Session 3: Fri 12.5.2023 at 9.15-12.00: U401 Otakaari 1
Tools for development

Session 4: Fri 26.5.2023 at 9.15-12.00: Y308 Otakaari 1
Co-develop the curriculum

Session 5: Fri 16.6.2023 at 9.15-12.00: U401 Otakaari 1
Reflection of the course and long-term development

Pre-assignment

Assignment

Decide the project topic by 5.5.23
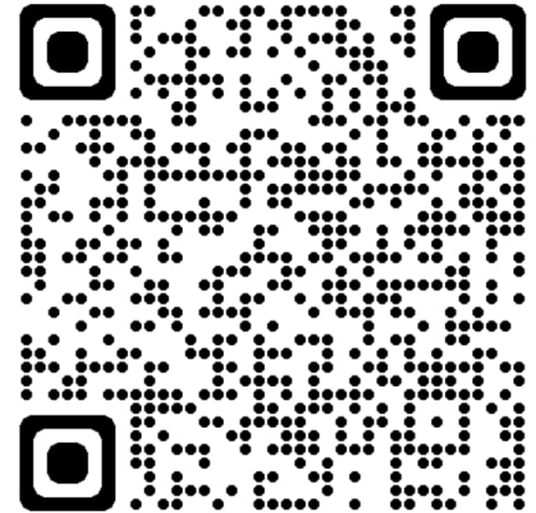

Prepare for coaching

Prepare project presentation

Submit report by 22.6.23

Work with the group development project

Group development projects:
what has happened,
what have you learned?

Aalto-yliopisto
Aalto-universitetet
Aalto University

Project presentations

Aim:

- **To learn from the experiences of others and gain ideas for further development**

- **When listening think about:**
  - how can I apply this in my own programme?
  - Is there something I can take with me?

- **Questions and comments for the presenters in Presemo: https://presemo.aalto.fi/160623/**

Project presentations

SCHEDULE: **10 MIN. PER GROUP**

- Group 1: Anna & Pauliina
- Group 2: Matias, Augusto and Stephan
- Group 3: Oscar, Kuura, Nuria (Denise & Namkyu)

BREAK

- Group 4: Salla & Jonathan
- Group 5: Matti, Mirjam & Maaria
- Group 6: Fabrizio & Lasse

Reflection of the course

Look back and reflect by yourself:

- What were your learning goals at the beginning of this course?

- What did you learn?

- What will you take with you to your daily (work) life?

Documentation in Presemo:
https://presemo.aalto.fi/160623

Aalto-yliopisto
Aalto-universitetet
Aalto University

Long-term plan: what will happen before the next curriculum design round (2024-2026)?

Discuss with your own team 25 min.

**Option: to use the template provided**

What are the things you will continue doing after the course? Is there something, that you do not want to forget?

How will you proceed with the development work? **Agree on one concrete thing.**

Who will you involve in the development?

**Wrap-up:** share one thing of your future development to others

Long-term plan

Plan for long-term development

	Development goals: the aim is to…	Concrete task: how to do it?	Responsible actor: who?	Target schedule: when?	Follow-up
Curriculum goals	1.				
	2.				
	3.				
Curriculum process: our way of working	1.				
	2.				
	3.
