Referee midterm exam statement – candidate name:

Based on your reading of the midterm report and their presentation, please evaluate the midterm candidate on the following criteria (where 5 is the highest evaluation and at least 2 is required in each category to pass):

Aspect	1	2	3	4	5
The scientific correctness of the work, and the clarity of the hypotheses or the objectives of the research.					
The sufficiency of the candidate's own research input.					
The scope of the work and the sufficiency of the material.					
The candidate's ability to obtain results from the material examined in the work.					
The logic of the report's structure.					
The knowledge and use of literature in the field and the ability to use references correctly.					
Language (report only).					
The ability to give a clear and pedagogical presentation of the research work.					
The likelihood that the candidate will proceed to graduate within four years.
