## Reading report instructions

Read all three articles (note that the two first are relatively long, so reserve enough time).

For each of the three articles, answer the following question:

- How well do the main points raised in this article apply to my life and the life of students around me?

Your reading report should thus answer that question for all three articles and be in total approximately 1 A4 page.

Please submit your reading report as one file to MyCourses before Friday 18<sup>th</sup> Jan at 13.00. Take a copy with you to the gathering.
