- Possible combination of vowels in a word:
  - **a, o and u** can appear in the same word
    - auto (a car)
  - **ä, ö, y** can appear in the same word
    - yö (night)
  - you can't mix vowels of these two groups  
in the same word (except compound words)

- If a word has a, o or u the ending has a, o or u as well

  - Otherwise the ending has ä, ö or y
    - yö**llä**, autol**la**, bussis**sa**, jäätelö**ssä**, maanantai**na**, kesä**llä**
