Good Luck in your studies.

The screenshot shows the Pearson support website. At the top, there is a dark blue header with 'Sweden' on the left and 'System status' on the right. Below the header is the Pearson logo and a navigation menu with links for 'Support Home', 'Browse Articles', 'Contact Us', and 'Sign In'. A search bar is also present. The main content area has a light green background with the heading 'Contact Us' and a sub-heading: 'Tell us about yourself and the issue you're having and we'll connect you with the right person to help you. All fields marked with an * are required.' Below this is a white box containing a URL: <https://support.pearson.com/getsupport/s/>. Underneath the URL, the text 'Tell us about your issue' is followed by two required fields: '*What kind of customer are you?' with a dropdown menu showing 'College Educator', and '*What's the name of your Pearson product?' with a text input field.

Troubleshooting:

Viime vuoden kokemuksen perusteella ainoa tekninen ongelma on että Pearson ei välttämättä toimi kaikilla browsereilla.

Eli jos on ongelmia niin kokeile ensin muita browsereita. Erityisesti Mac käyttäjillä oli muutamia tapauksia.

Kirja latautuu joskus hitaasti...kärsivällisyyttä.

Muissa tilanteissa, jos Pearson ei millään toimi niin ota yhteyttä kurssin henkilökuntaan niin yritämme laittaa sinut kontaktiin Pearsonin edustajien kanssa, tai voit edellisen kalvon ohjeen perusteella laittaa itse Pearsonille pyynnön.

Kurssin henkilökunta ei voi suoraan tehdä mitään Pearsonin järjestelmälle.
