Log in to Mastering at  
[www.pearsonmastering.com](http://www.pearsonmastering.com) or  
[www.pearsonmylabandmastering.com](http://www.pearsonmylabandmastering.com)  
(Do not use [www.masteringbiology.com](http://www.masteringbiology.com) – old site that should be closed)

The screenshot shows the Pearson MyLab Mastering website. At the top left is the Pearson logo and navigation links for MyLab and Mastering. A search bar on the top right is labeled 'BROWSE BY DISCIPLINE'. The main banner features the headline 'Improving results' and the text 'Our goal is to help every student succeed. We're working with educators and institutions to improve results for students everywhere.' Below this is a 'Learn more' button. Three yellow navigation boxes are visible: 'Educators' (with sub-links: Results, Features, Training & Support), 'Students' (with sub-links: Get Registered, Support, More...), and 'Academic Executives' (with sub-links: Results, Features, More...). On the right side, there is a 'Sign In' section with a 'Sign in' button and a 'Register' section with 'Student' and 'Educator' buttons. The Windows taskbar at the bottom shows the date and time as 2:47 PM on 11/9/2018.

# Quick troubleshooting links

- Chrome is the preferred browser
  - <https://support.pearson.com/getsupport/s/article/Browser-Settings>
  - <https://support.pearson.com/getsupport/s/article/Chrome-Recommended-Settings>
- Turn off popup blockers
  - <https://support.pearson.com/getsupport/s/article/Pop-Up-Blockers>
- Disable AdBlock can be needed
- With error message always log out, clear cache and browsing history to retry

If you have not created an account start with the Register – Student button.

The screenshot displays the Pearson MyLab Mastering website. At the top left is the Pearson logo and the text "Pearson | MyLab | Mastering". At the top right is a search bar with the text "BROWSE BY DISCIPLINE". The main content area features a large image of a smiling woman in a classroom. Overlaid on this image is a "Sign In" section with the text "Already registered? Sign In with your Pearson account." and a "Sign in" button. Below this is a "Register" section with the text "Need access? Start here!" and two buttons: "Student" and "Educator". A blue arrow points to the "Student" button. On the left side of the main content area, there are three yellow menu boxes: "Educators" (with sub-items: Results, Features, Training & Support), "Students" (with sub-items: Get Registered, Support, More...), and "Academic Executives" (with sub-items: Results, Features, More...). A "Learn more" button is also visible. At the bottom of the page is a Windows taskbar with various application icons and a system tray showing the date and time as 2:47 PM on 11/9/2018.

# Need: Course ID:

The screenshot shows the Pearson MyLab/Mastering registration page for students. At the top, there is a navigation bar with the Pearson logo and 'MyLab | Mastering' text. On the right side of the navigation bar, there are links for 'SIGN IN', 'REGISTER', and 'BROWSE BY DISCIPLINE'. Below the navigation bar, there is a secondary menu with 'Students', 'Get Registered', 'Features', and 'Support'. The main heading is 'You'll need these 3 things to get started'. Below this heading, there is a sub-heading: 'Are you using MyLab or Mastering with Blackboard, Canvas, Brightspace, or Moodle? If so, start here.' The page is divided into three numbered steps: 1. 'Your email address' with a description: 'You need a valid email address, preferably the one provided by your school. You'll be getting some important emails from your instructor at this address.' 2. 'Your instructor's Course ID' with a description: 'Your instructor will give you a Course ID that links you directly into your course. It will look something like this: professor12345. If you don't know your Course ID, check with your instructor or a classmate.' 3. 'An access code, credit card, or PayPal' with a description: 'If you already have an access code, you'll redeem it when you register. If you don't, you can use a credit card or PayPal to purchase access.' At the bottom of the main content area, there is a yellow button that says 'OK! Register now >' and a link for 'Australian customers, register here >'. The bottom of the screenshot shows a Windows taskbar with various application icons and a system tray with the date and time: '2:47 PM 11/9/2018'.

## You'll need these 3 things to get started

Are you using MyLab or Mastering with Blackboard, Canvas, Brightspace, or Moodle? If so, [start here](#).

- 1**  
Your email address  
You need a valid email address, preferably the one provided by your school. You'll be getting some important emails from your instructor at this address.
- 2**  
Your instructor's Course ID  
Your instructor will give you a Course ID that links you directly into your course. It will look something like this: professor12345. If you don't know your Course ID, check with your instructor or a classmate.
- 3**  
An access code, credit card, or PayPal  
If you already have an access code, you'll redeem it when you register. If you don't, you can use a credit card or PayPal to purchase access.

# Create a personal Account if you do not have a Pearson Account

The screenshot shows the Pearson registration page. At the top left is the Pearson logo. Below it, the word "Register" is displayed. On the right side, there is a "Help" button. The main heading is "Create an Account". Below this, a message states: "Your account gives you access to Pearson products. [Sign in](#) if you already have an account."

The registration form consists of the following fields, each with a green checkmark indicating it is valid:

- Email Address: FinlandFall2019@gmail.com
- Username: FinlandFall2019@gmail.com
- Password: [masked]
- Re-enter Password: [masked]
- First Name: Finland
- Last Name: Test Fall
- Security Question: What town was I born in?
- Security Answer: Finland

Below the form, there are two checked checkboxes:

- I agree to the [Terms of Use](#) and acknowledge the [Privacy Policy](#).
- I want to help improve Pearson products and learn about new offers

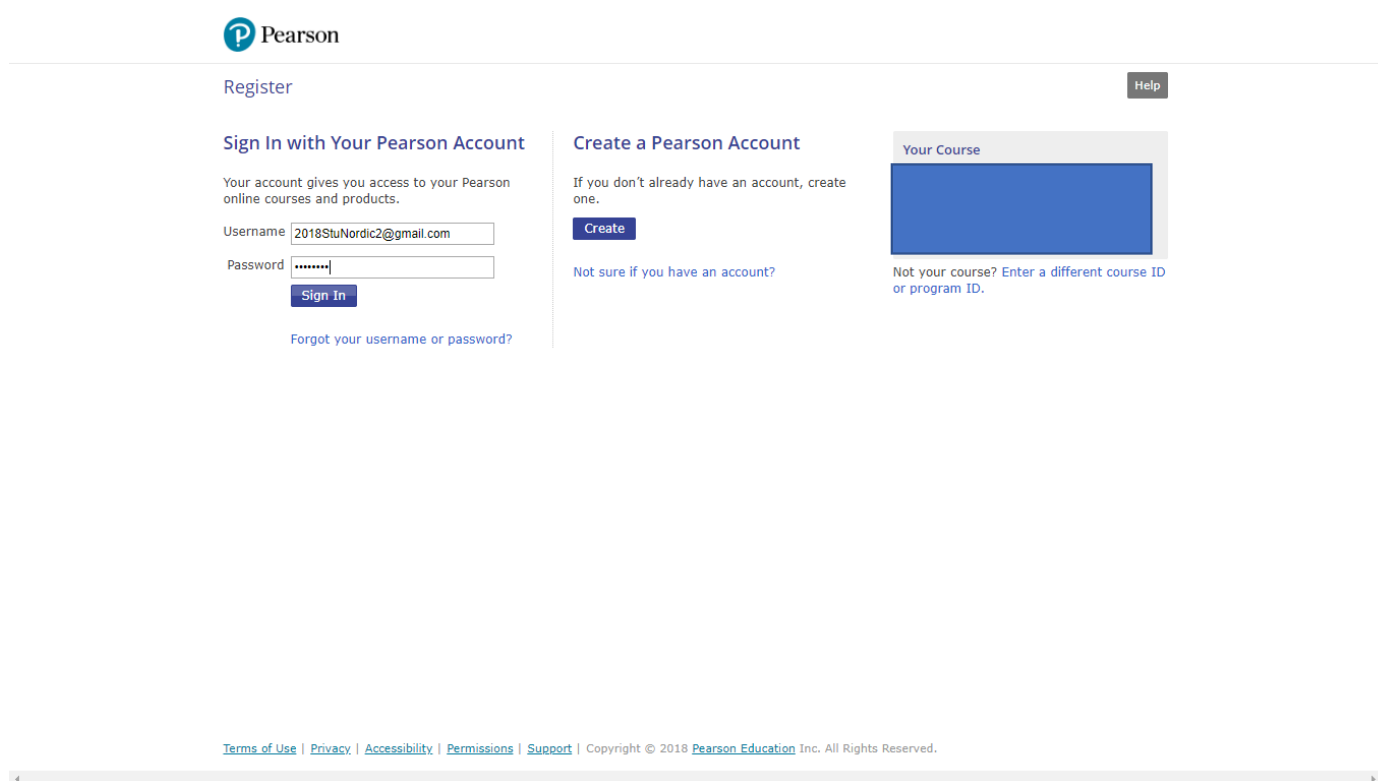

A blue "Create Account" button is located at the bottom of the form.

On the right side of the page, there is a section titled "Your Course" with a blue box. Below it, the text reads: "Not your course? Enter a different course ID or program ID."

At the bottom of the page, there is a footer with links: [Terms of Use](#) | [Privacy](#) | [Accessibility](#) | [Permissions](#) | [Support](#) | Copyright © 2018 [Pearson Education](#) Inc. All Rights Reserved.

# If you have a Pearson Account use your same username/password

The screenshot shows the Pearson registration page. At the top left is the Pearson logo. Below it, the word "Register" is displayed. On the right side, there is a "Help" button. The page is divided into three main sections:

- Sign In with Your Pearson Account:** This section includes a sub-header, a brief description of account benefits, and two input fields: "Username" (containing "2018StuNordic2@gmail.com") and "Password" (with masked characters). A "Sign In" button is located below the password field, and a link for "Forgot your username or password?" is at the bottom of this section.
- Create a Pearson Account:** This section has a sub-header, a short instruction, a "Create" button, and a link for "Not sure if you have an account?".
- Your Course:** This section features a sub-header, a blue rectangular placeholder, and a link for "Not your course? Enter a different course ID or program ID."

At the bottom of the page, there is a footer containing several links: "Terms of Use", "Privacy", "Accessibility", "Permissions", and "Support", followed by a copyright notice for Pearson Education Inc. in 2018.

# Join Your Course

The screenshot displays the Pearson course management interface. At the top left is the Pearson logo. The top right shows the user's name 'Hi, Finland Test', a 'Sign Out' button, a notification bell icon, and a 'Help' link. Below the header, there is a breadcrumb trail '< My Courses < Search All My Courses' and a search bar containing 'bankar60226'. To the right of the search bar are two icons: a grid icon and a list icon. Below the search bar, there are two tabs: 'Active (1)' (which is selected) and 'Inactive (0)'. The main content area shows a single course card for 'bankar60226'. The card has a green header bar with a 'Modified' status indicator. The course title is 'Biological Science, 6th Edition'. Below the title, it says 'Mastering Biology' by Sandip Bankar, with a date range of 'Nov 11, 2019 - Dec 31, 2020' and 'Enrolled: 0' with a link to 'How students enroll'. A 'Details' link is at the bottom of the card. At the bottom of the page, there is a copyright notice: 'Copyright © 2020 Pearson Education Inc. All rights reserved. | [Terms of Use](#) | [Privacy Policy](#) | [Permissions](#) | [Contact Us](#)'.

# Your Schools course

The screenshot shows the Mastering Biology course interface. At the top, the course title is "Biotieteen perusteet (CHEM-A1310) 2020". The user is logged in as "Hi, Study" and can "Sign Out" or access "Help". The left sidebar contains navigation options: My Courses, Course Home (selected), Syllabus, Scores, eText, Study Area, Document Sharing, User Settings, and Course Tools. The main content area is titled "Course Home" and includes a "Welcome!" message and a "Welcome to Mastering!" notification. Below this is an "Assignments" section with two expandable boxes: "Past Due Assignments (0)" and "Upcoming Assignments (0)". At the bottom, there is a footer with the course title "Mastering Biology with Adaptive Follow-Ups", copyright information, and a book cover image for "Biological Science, Global Edition, 6e" by Freeman, et al.

## Regulating Blood Sugar (BioFlix tutorial)

Blood glucose levels in the blood is just one example of homeostasis, the body's tendency to maintain a relatively constant internal environment. Two hormones each other to achieve homeostasis of blood glucose levels.

In this tutorial, watch the Homeostasis: Regulating Blood Sugar animation. Pay particular attention to

How blood glucose levels trigger the release of insulin or glucagon and how insulin and glucagon act in opposing ways to maintain blood glucose levels at the set point.

homeostasis

Mastering Biology Majors

Submit   Hints   My Answers   Give Up   Review Part

**Incorrect; Try Again**  
You labeled 3 of 7 targets incorrectly. For target (e), recall that this organ acts as a sensor that detects changes in blood glucose levels. How does it respond when glucose levels fall? To review, watch the segment of the animation.

Introduction to Mastering – shows how the system works. Please start here.

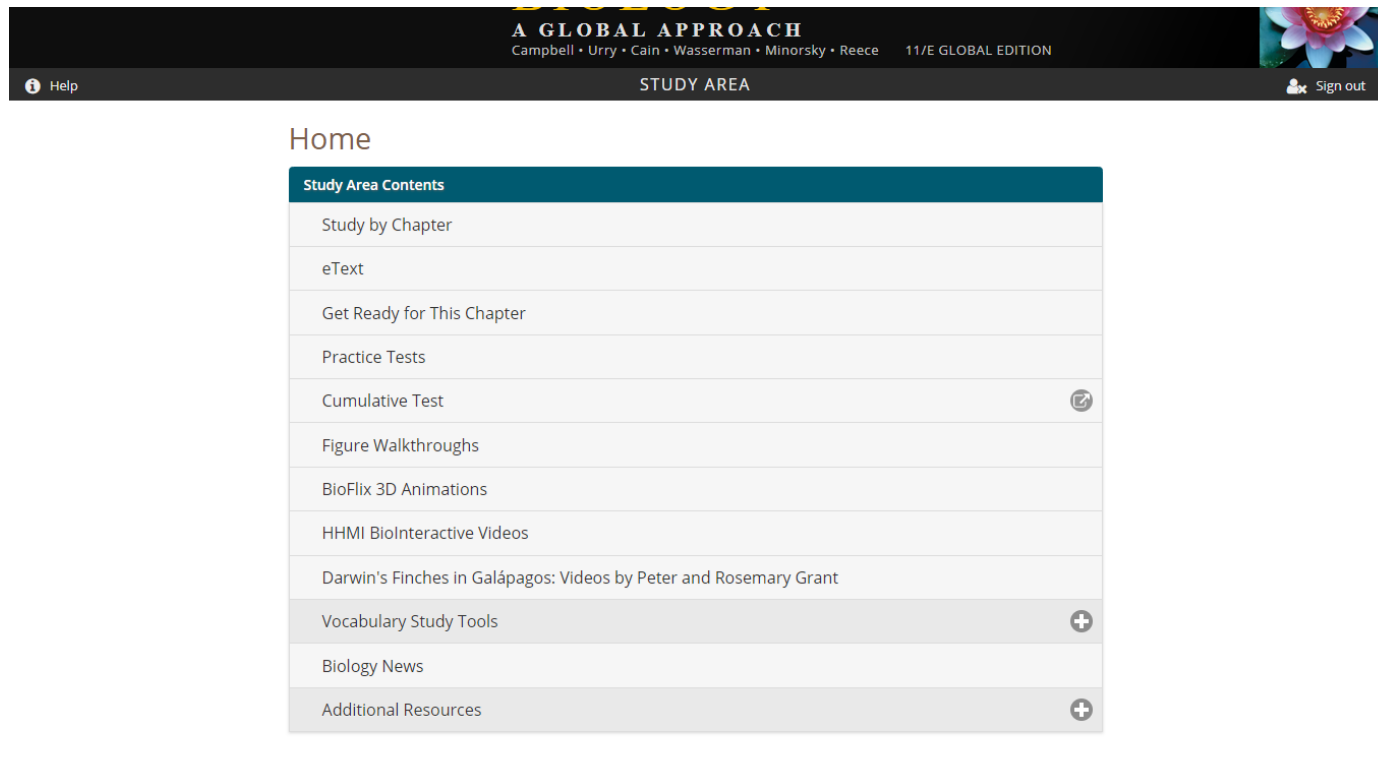

The screenshot shows the Mastering Biology interface for the course 'Ekologian perusteet Avoin S2019'. The user is logged in as 'Hi, Stu'. The left sidebar contains navigation options: My Courses, Course Home (selected), Syllabus, Scores, eText, Study Area, Document Sharing, User Settings, and Course Tools. The main content area is titled 'Course Home' and includes a 'Welcome back!' message. A 'Coming up soon' notification indicates two assignments due on Wednesday, March 25, with 26 items and approximately 52 minutes. Below this, the 'Assignments (2)' section is shown, with 'Past Due Assignments (0)' collapsed and 'Upcoming Assignments (2)' expanded. The upcoming assignments are:

Assignment Name	Due Date	Duration
Yhteisöekologia	03/25/2020 11:59 PM	10 items, about 20-25 minutes
Populaatioekologia	03/25/2020 11:59 PM	16 items, about 30-35 minutes

At the bottom, the course title 'Mastering Biology with Adaptive Follow-Ups' is displayed, along with the textbook information: 'Biology: A Global Approach, Global Edition, 11e Urry saarinen71534'.

# Non-Graded Study Area – Videos, Animations,

The screenshot shows a web interface for a study area. At the top, a dark header contains the text "A GLOBAL APPROACH" in white, with authors "Campbell • Urry • Cain • Wasserman • Minorsky • Reece" and "11/E GLOBAL EDITION" below it. On the right of the header is a small image of a pink flower. Below the header, a dark bar contains "Help" on the left, "STUDY AREA" in the center, and "Sign out" on the right. The main content area is titled "Home" and features a "Study Area Contents" section with a teal header. This section lists various resources in a table-like format:

Study Area Contents	
Study by Chapter	
eText	
Get Ready for This Chapter	
Practice Tests	
Cumulative Test	
Figure Walkthroughs	
BioFlix 3D Animations	
HHMI BioInteractive Videos	
Darwin's Finches in Galápagos: Videos by Peter and Rosemary Grant	
Vocabulary Study Tools	
Biology News	
Additional Resources	

Good Luck in your studies.

The screenshot shows the Pearson support website. At the top, there is a dark blue header with 'Sweden' on the left and 'System status' on the right. Below the header is the Pearson logo and navigation links: 'Support Home', 'Browse Articles', 'Contact Us', and 'Sign In'. A search bar is located to the right of the navigation links. The main content area has a light green background with the heading 'Contact Us' and a sub-heading: 'Tell us about yourself and the issue you're having and we'll connect you with the right person to help you. All fields marked with an \* are required.' Below this is a URL: <https://support.pearson.com/getsupport/s/>. The form section is titled 'Tell us about your issue' and contains two required fields: '\*What kind of customer are you?' with a dropdown menu showing 'College Educator', and '\*What's the name of your Pearson product?' with a text input field.
