

A collage of various materials including crumpled paper, fabric, and textured surfaces. The background is a mix of textures and colors, including grey, black, white, and gold. The text is overlaid on this collage.

Systems and design elements in pattern design

Laura Isoniemi

2021 Aalto university

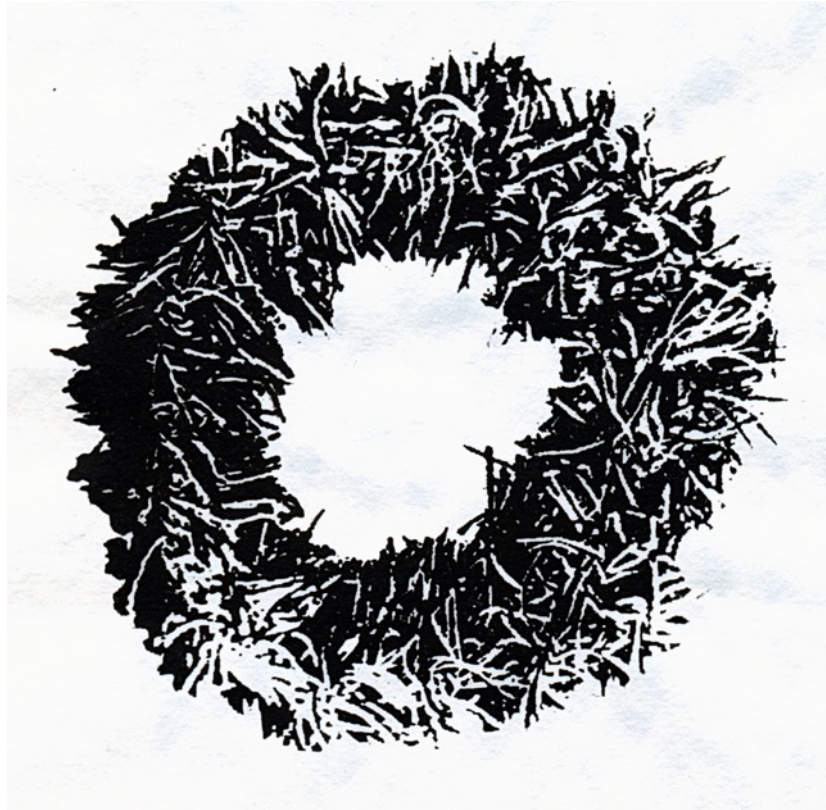

Crystal Flowers

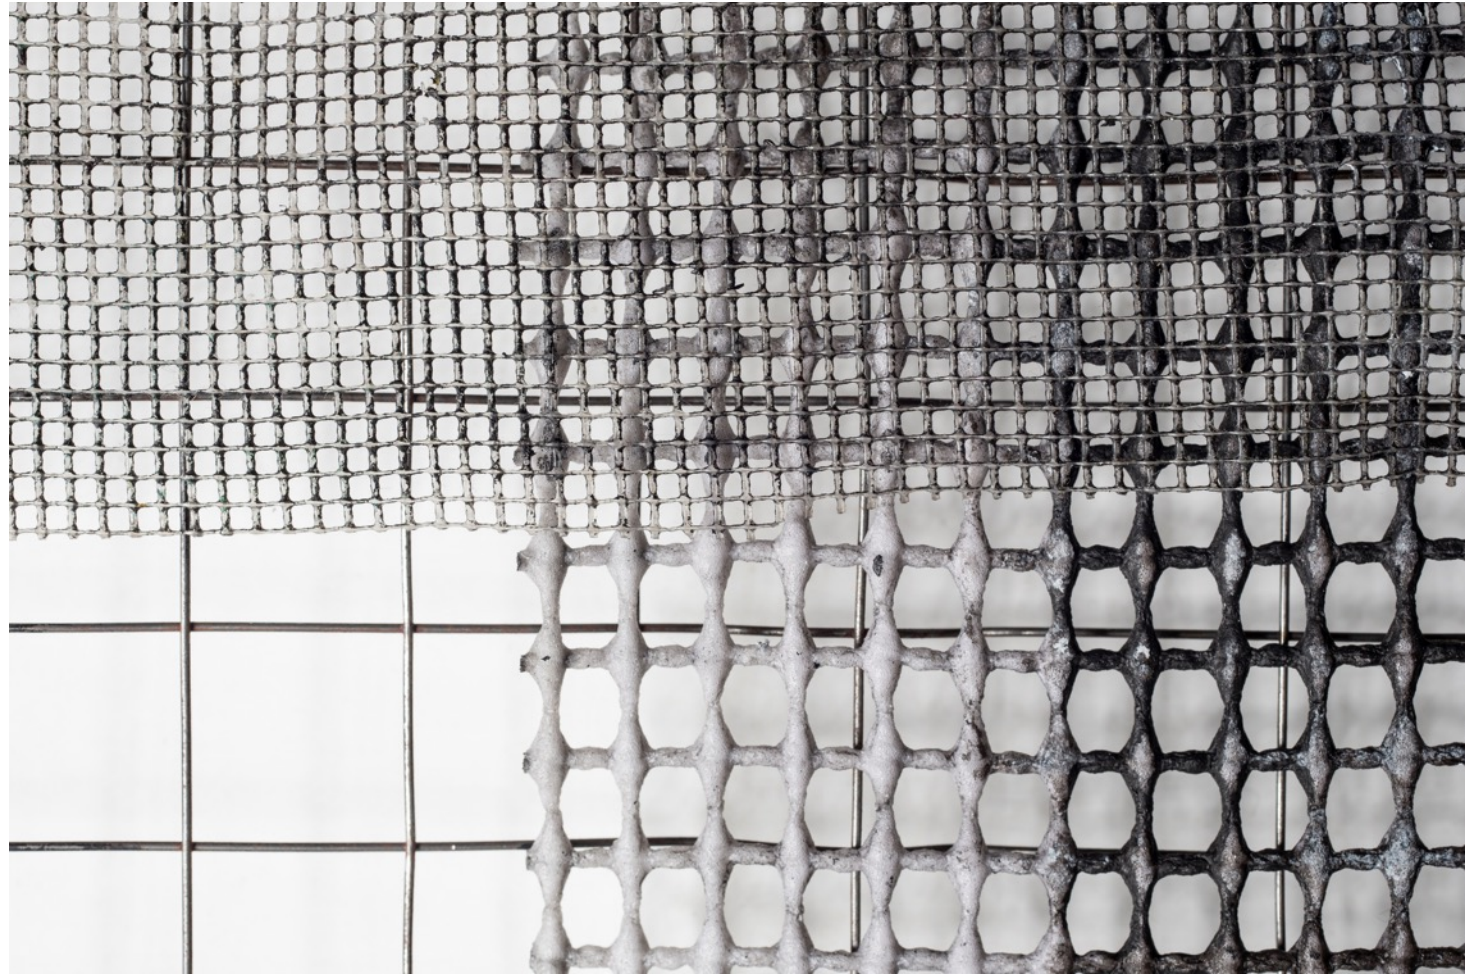

Textile design principals

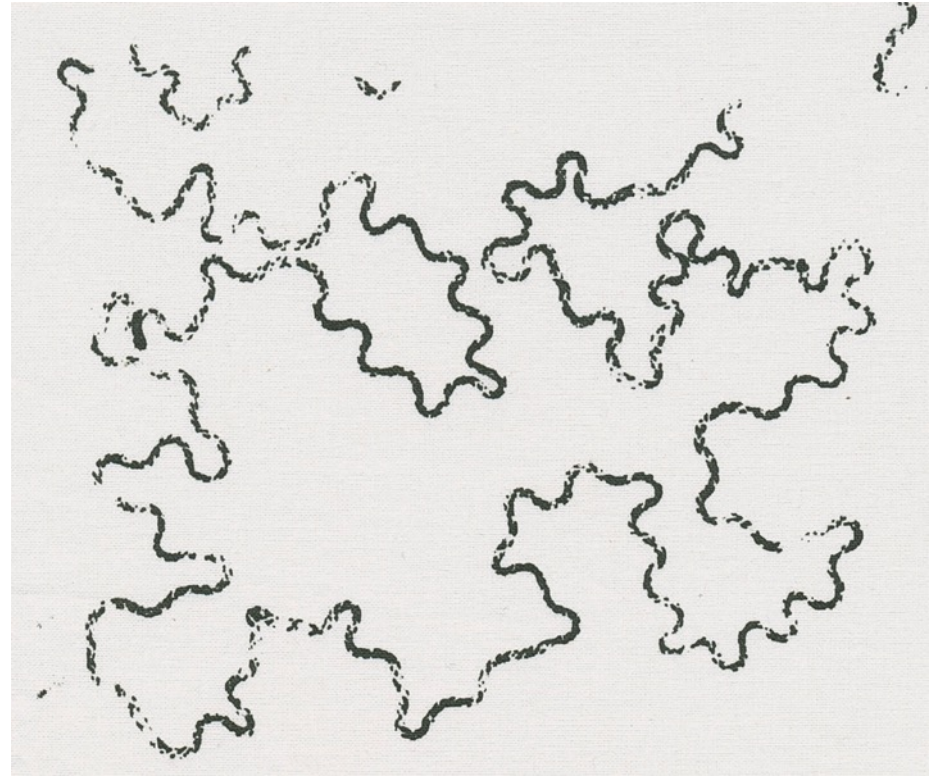

- Motif/pattern
- Chosen painting/drawing tool
- Chosen system,composition
- Fabric and its possibilities
- Colours
- Printing technic

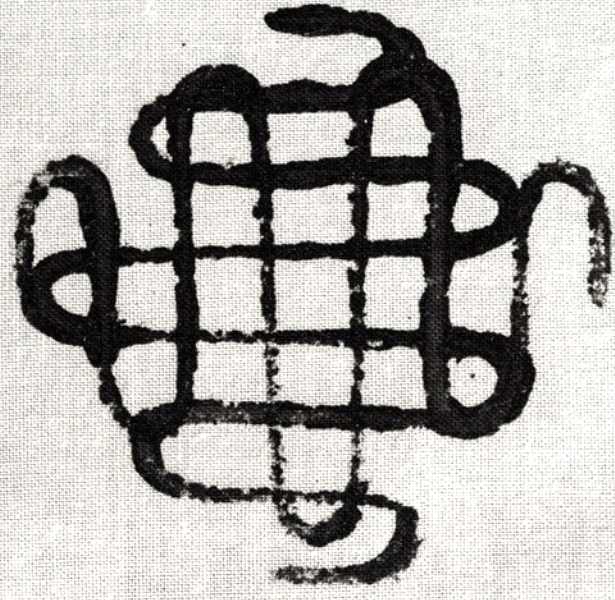

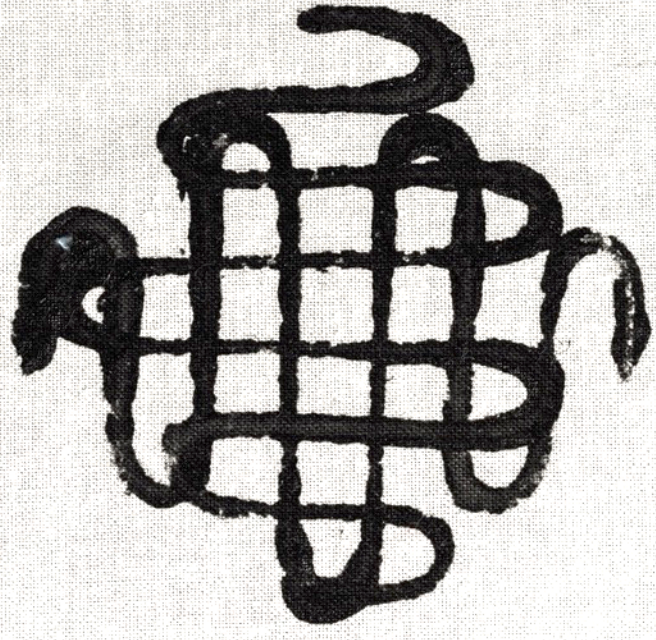

What is a motif

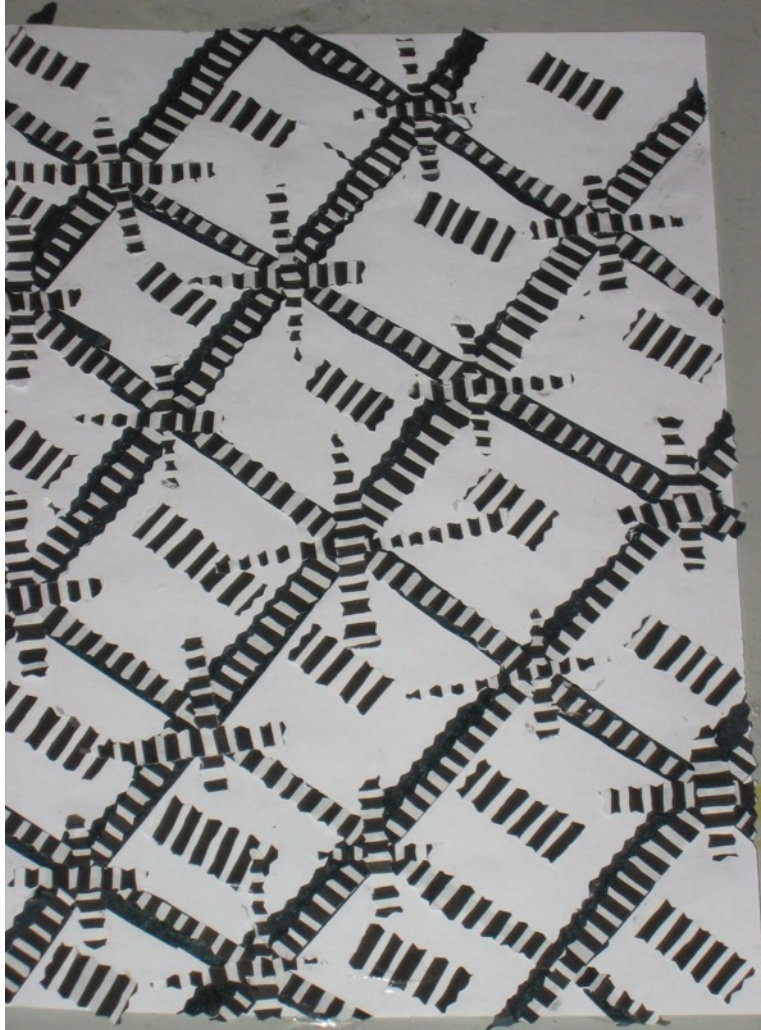

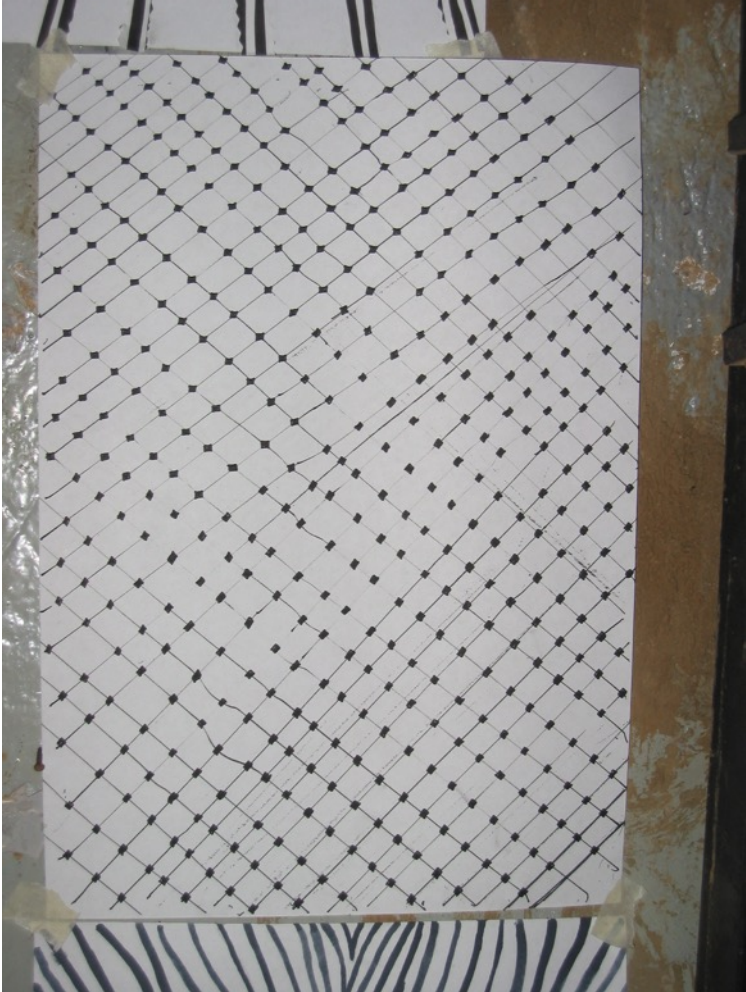

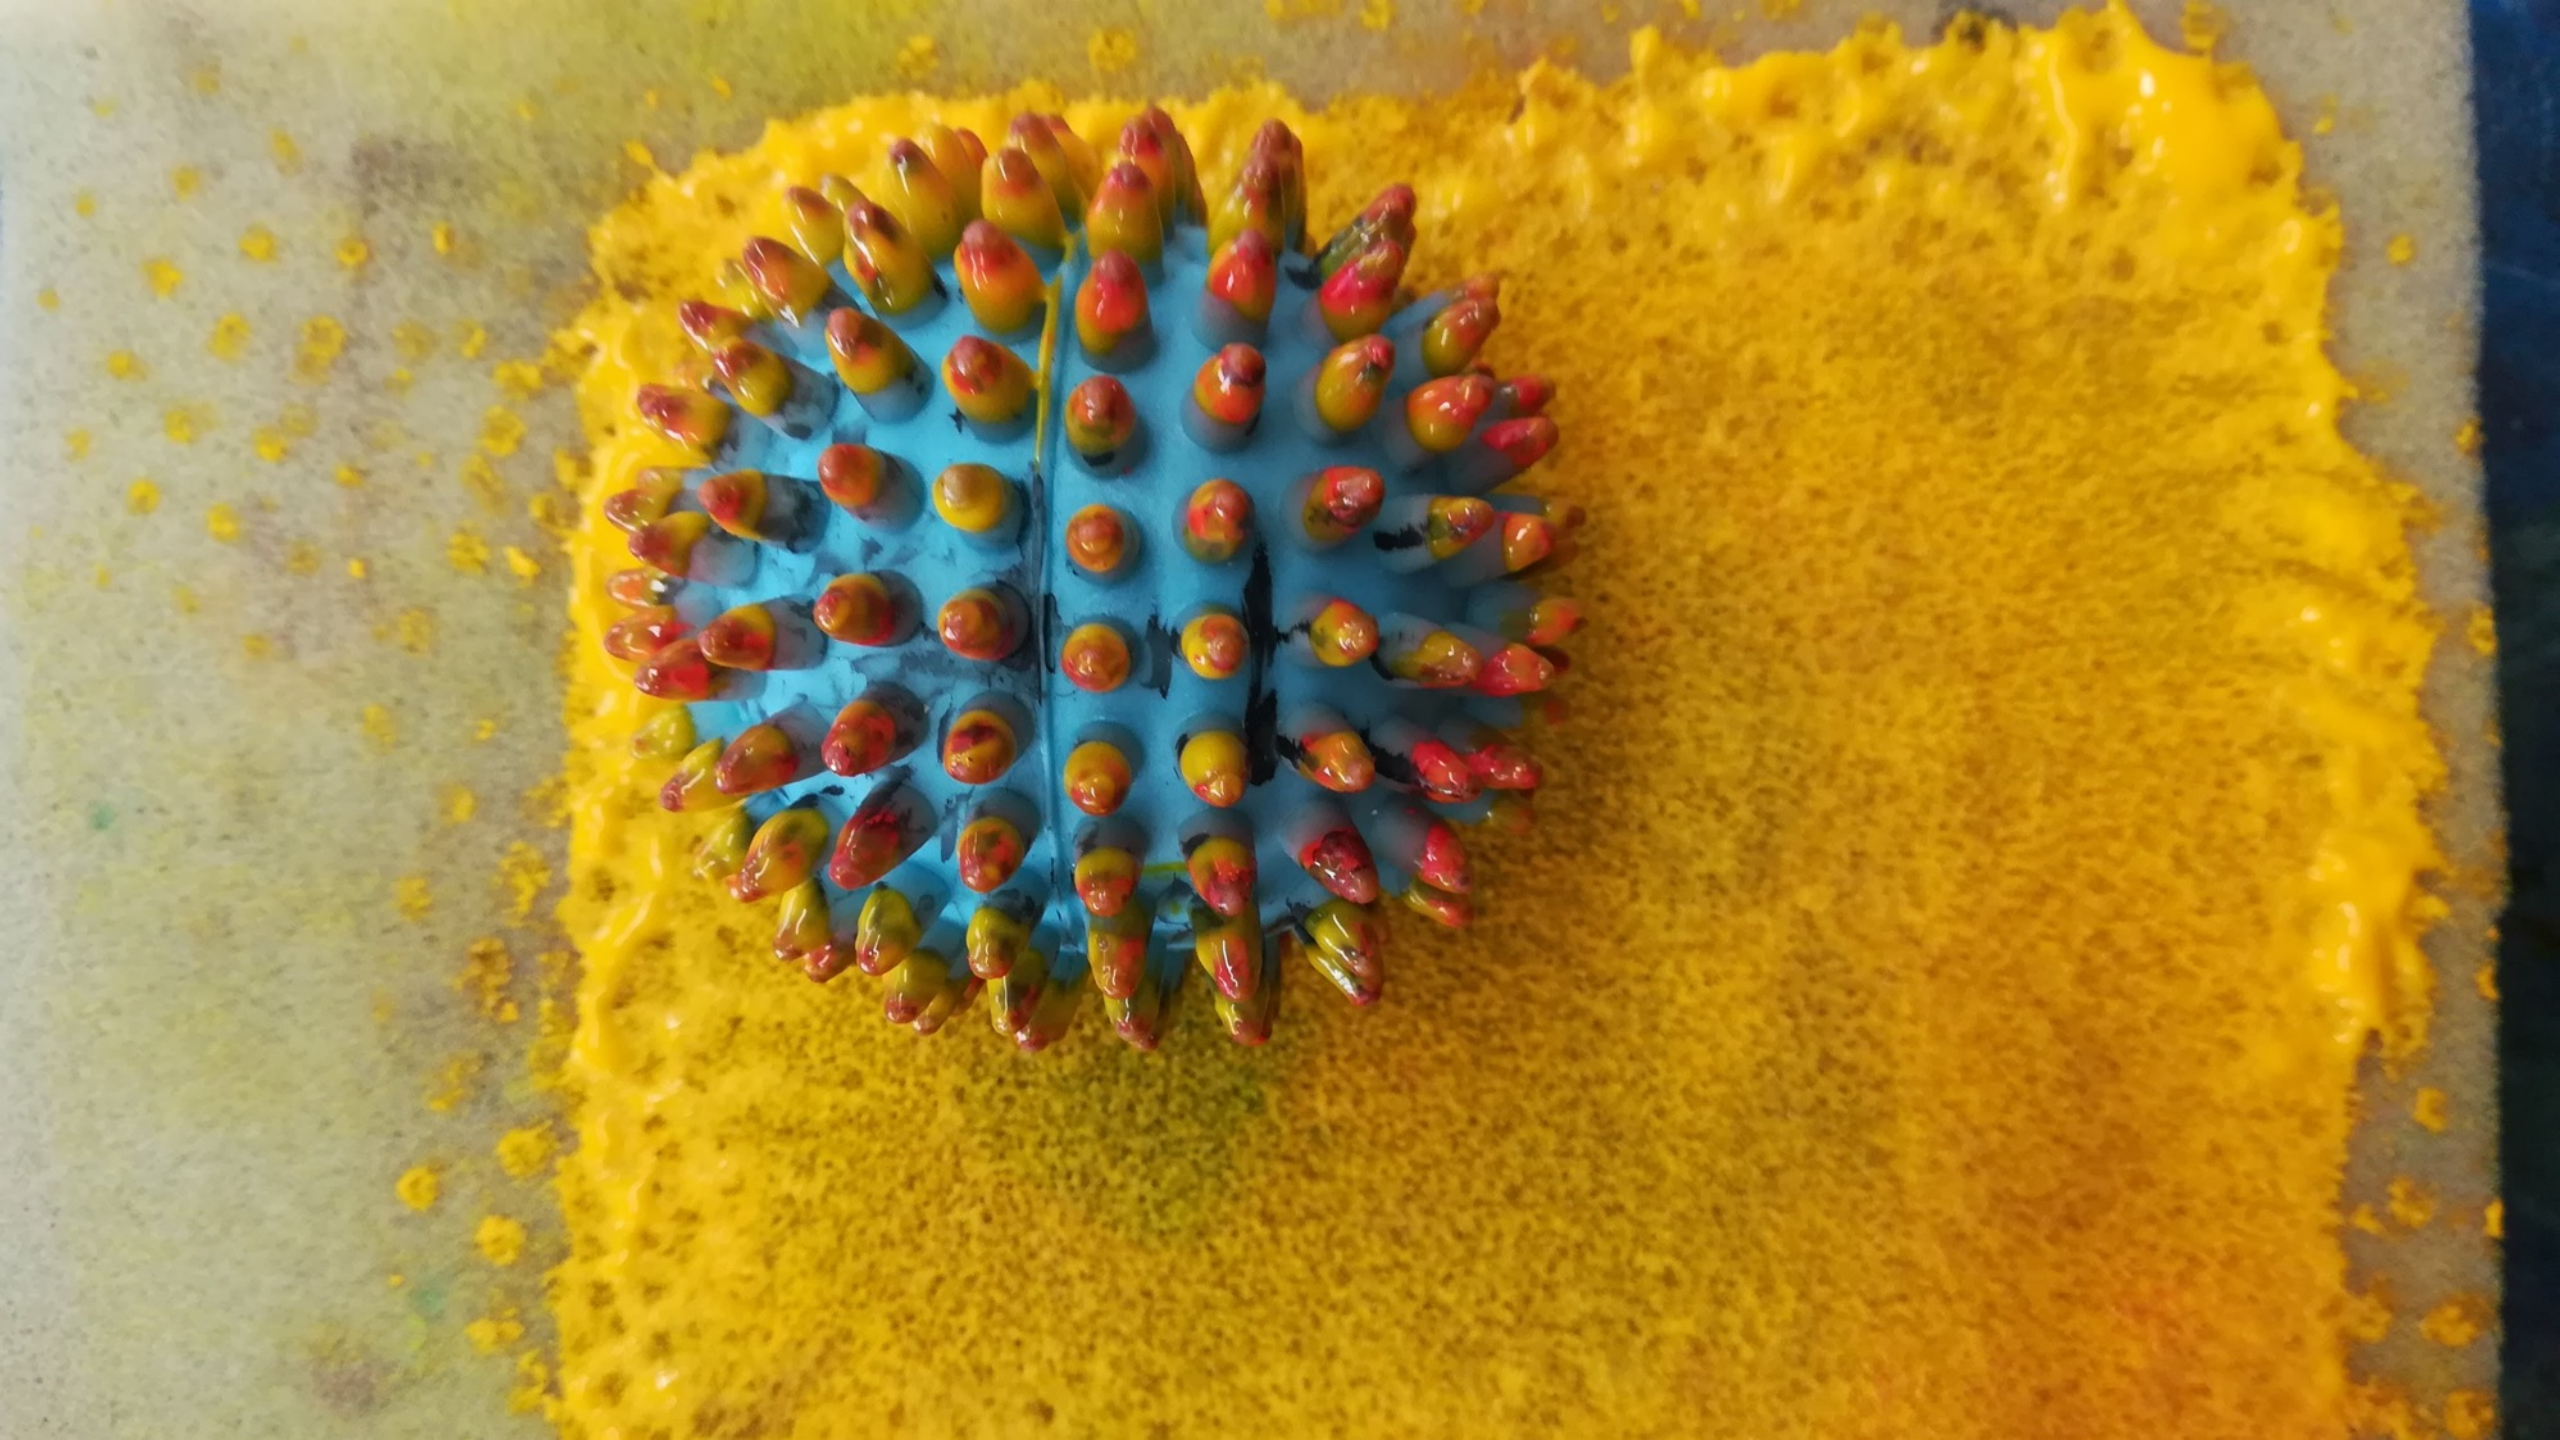

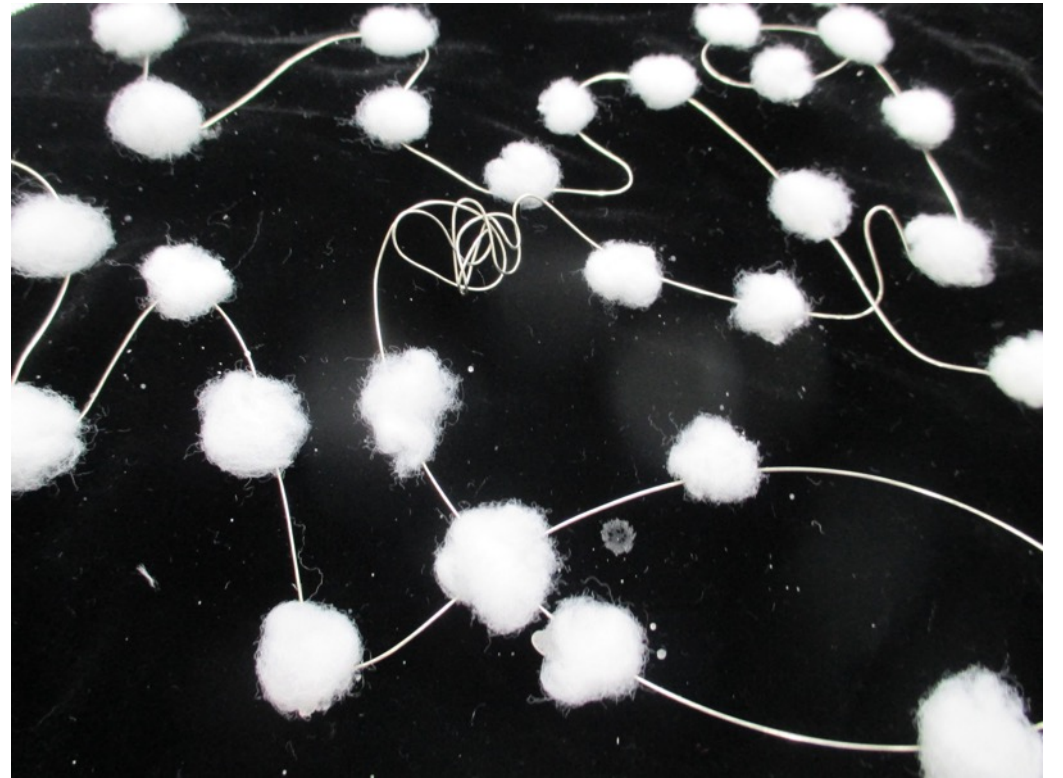

Laura Isoniemi for
Marimekko

The meaning of the tool /technic

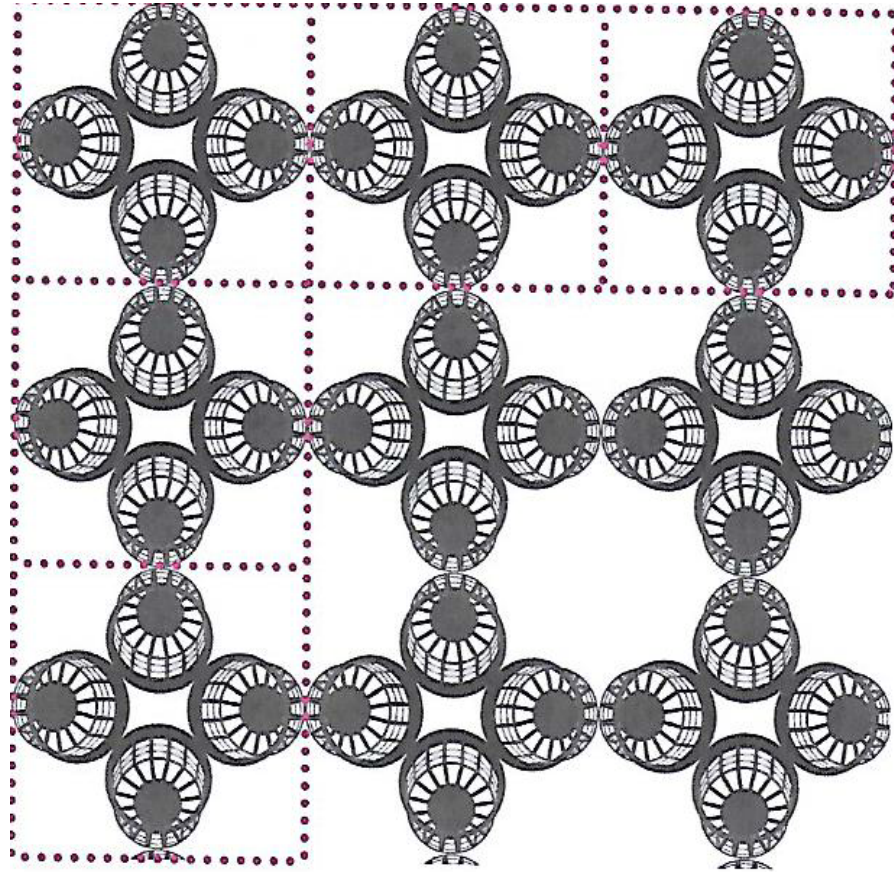

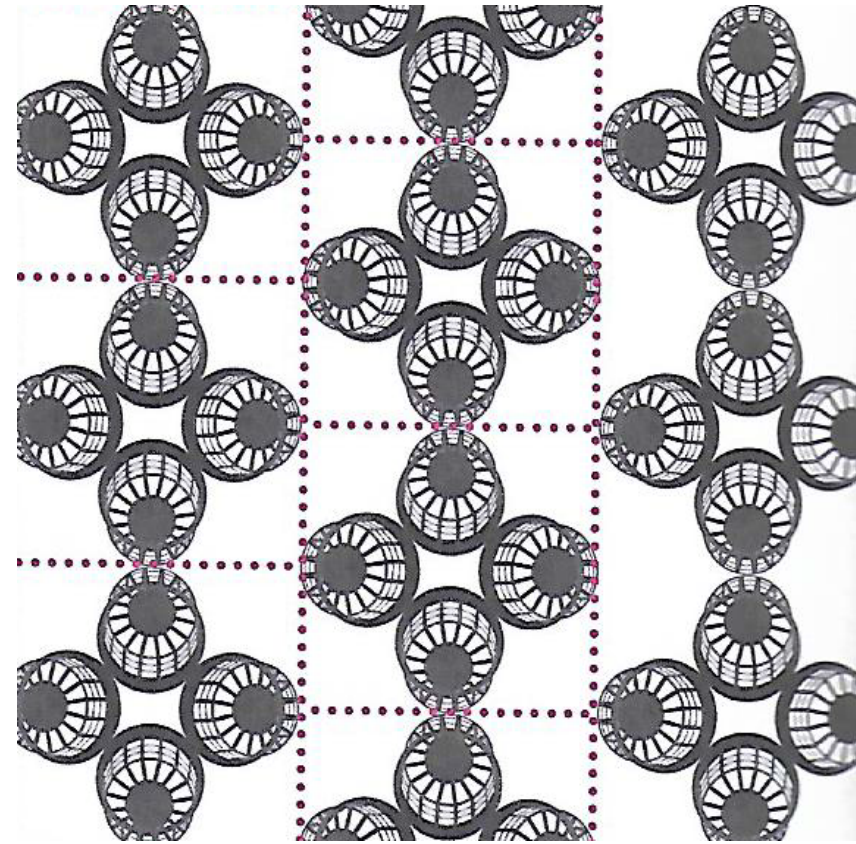

Motif
Plastic salad
buckets

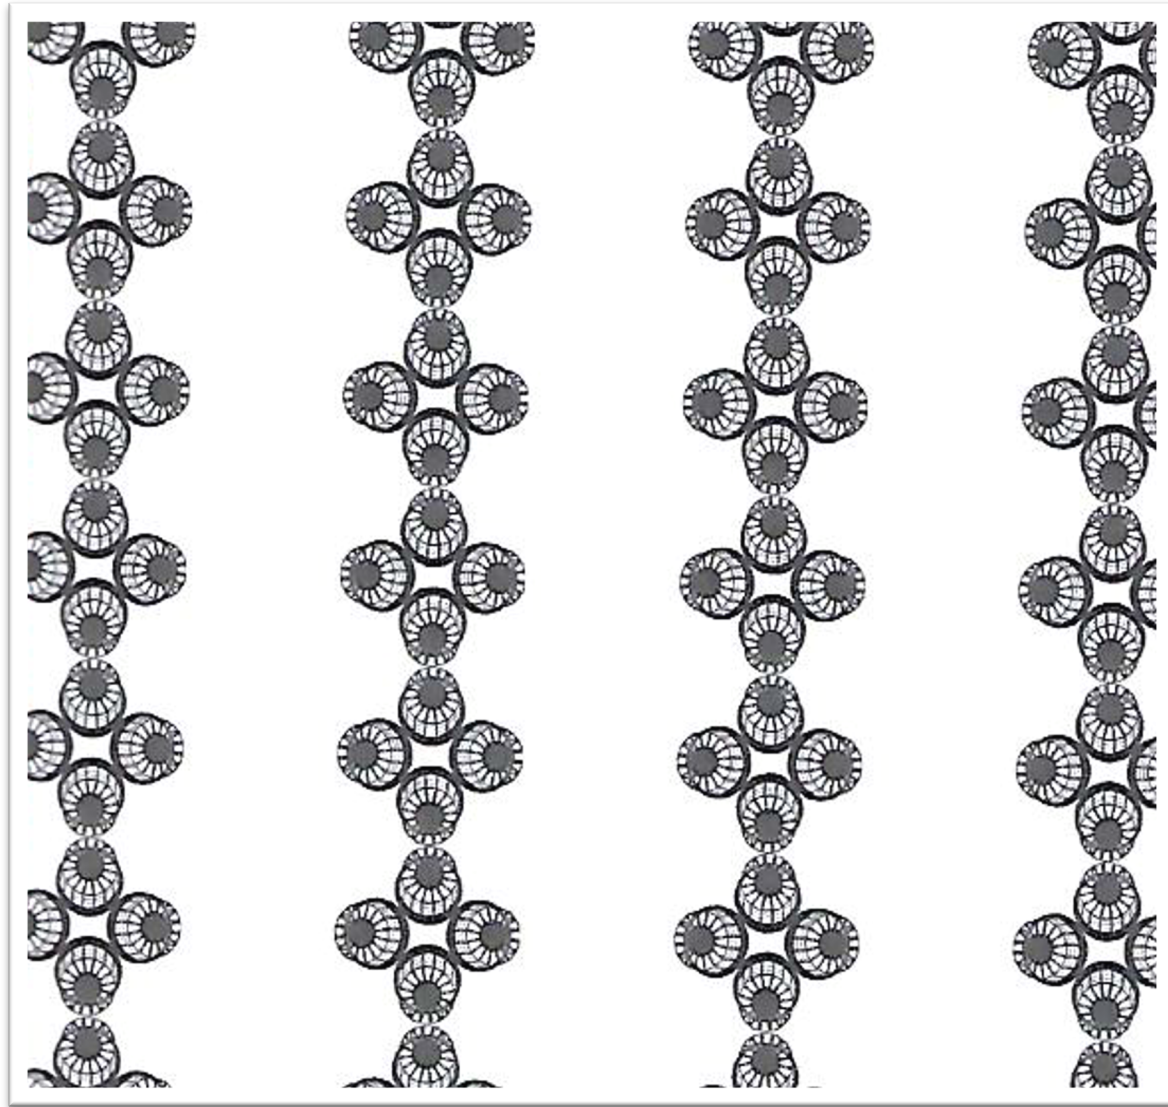

Different kind of repeat solution with same motif

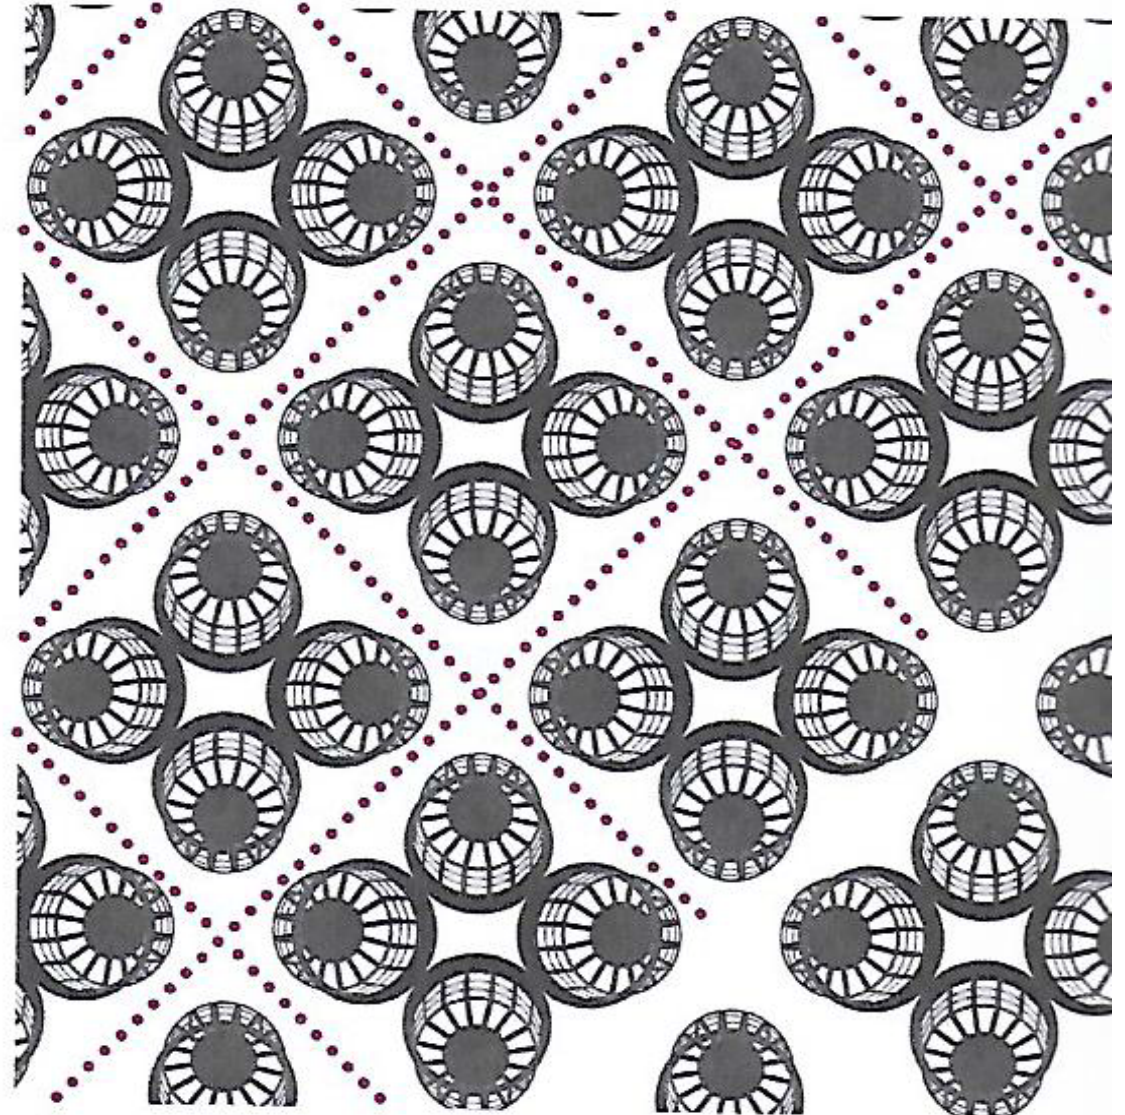

Full drop/block system

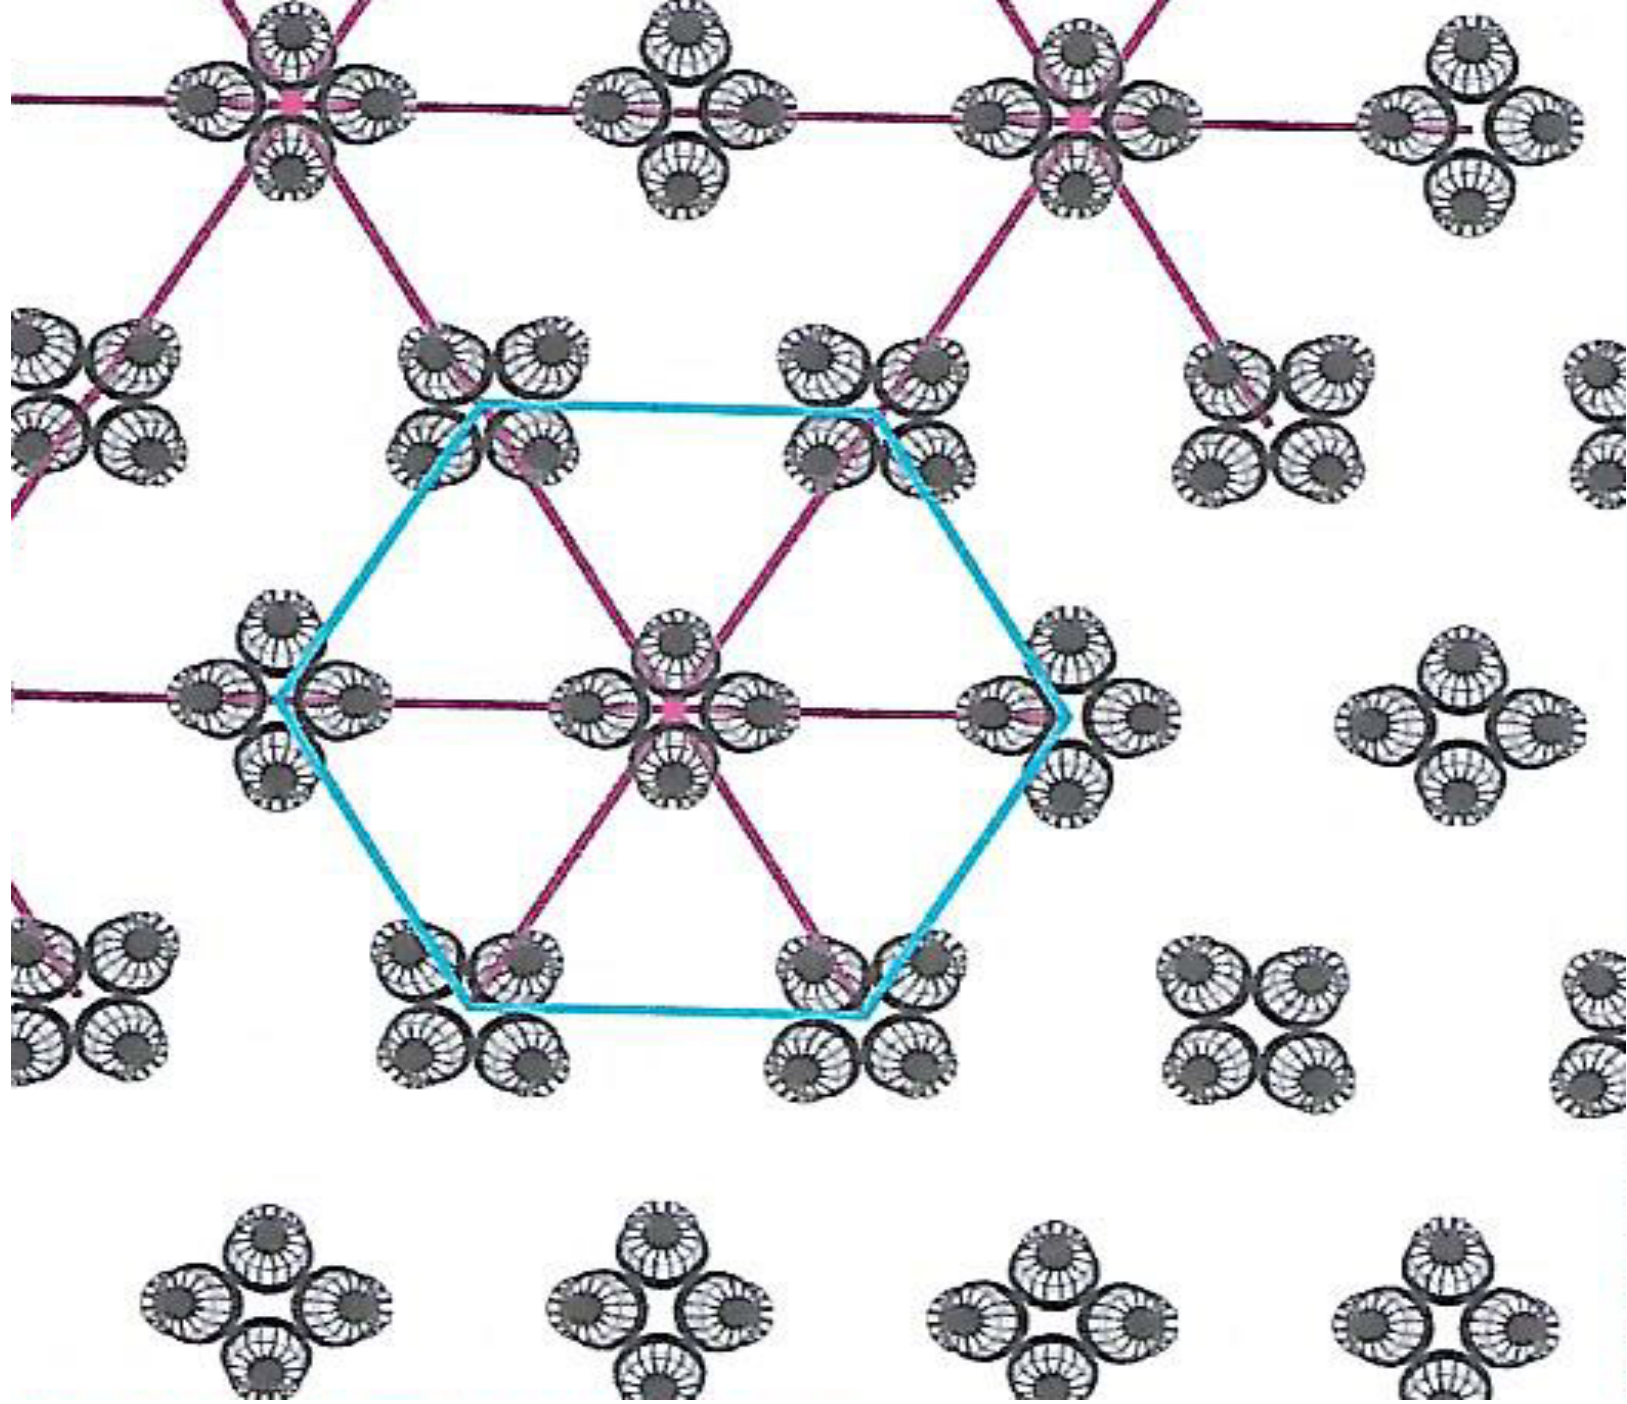

Half drop

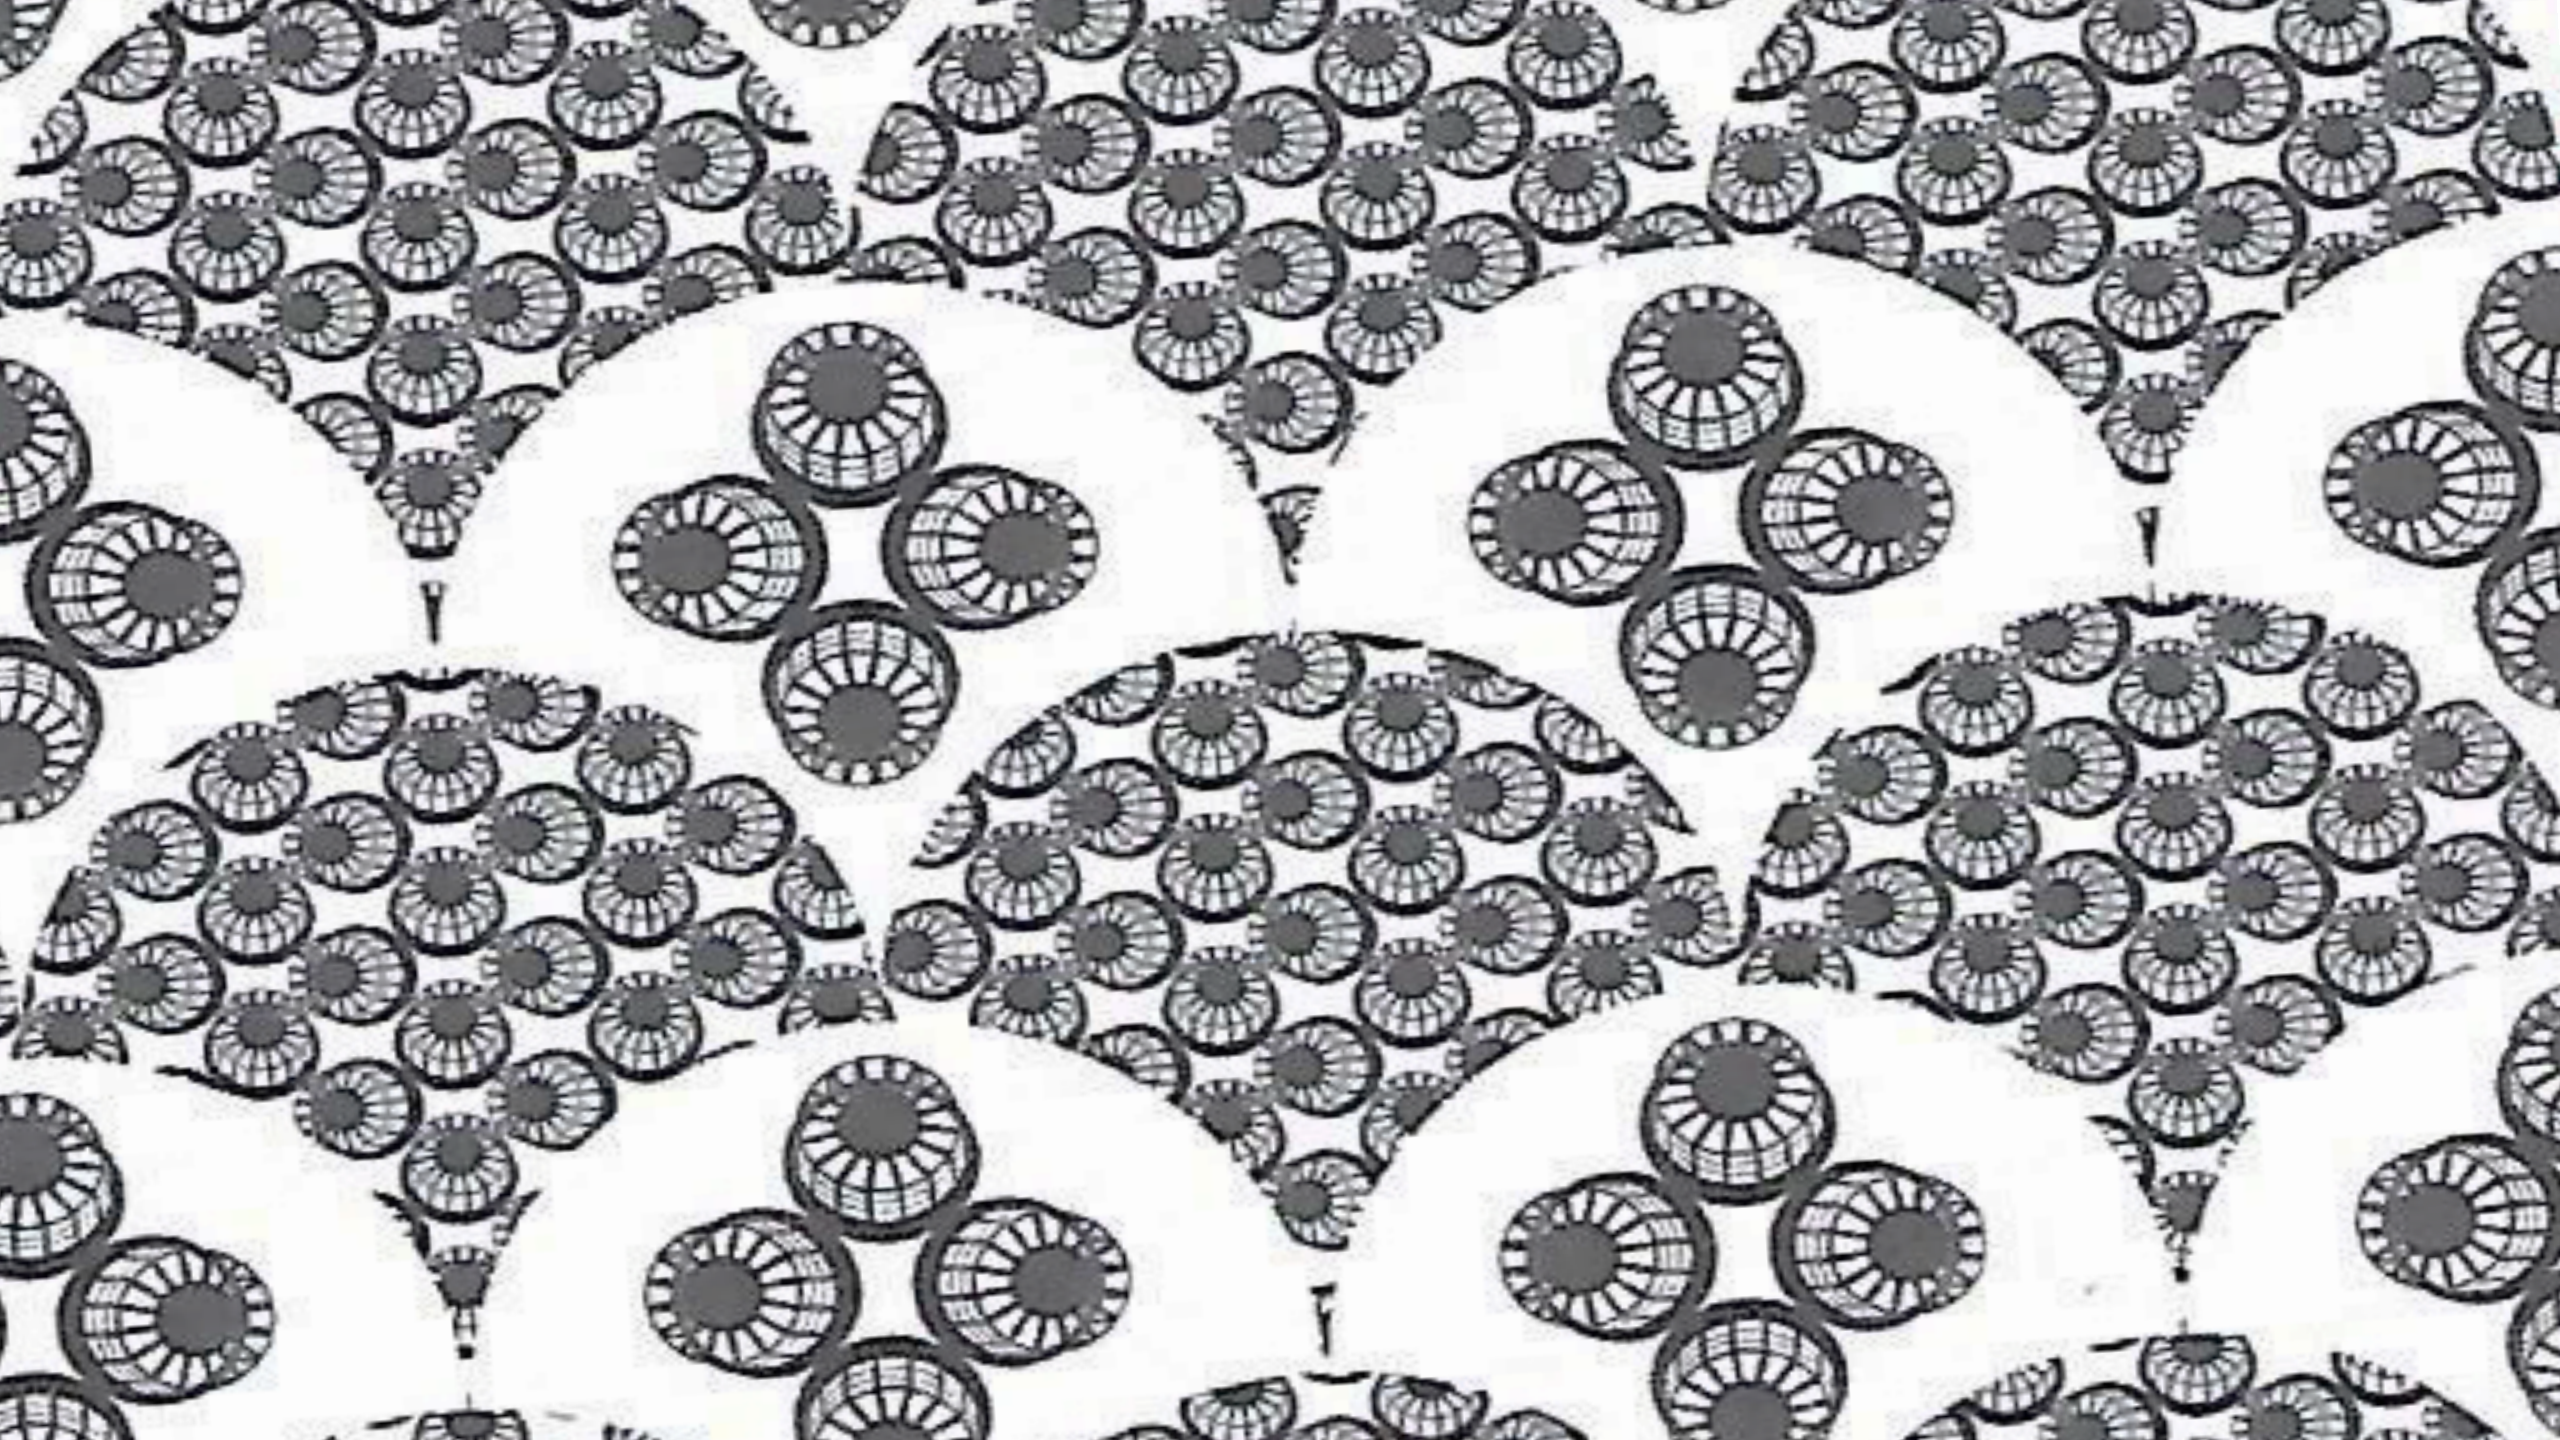

Stripe pattern repeat

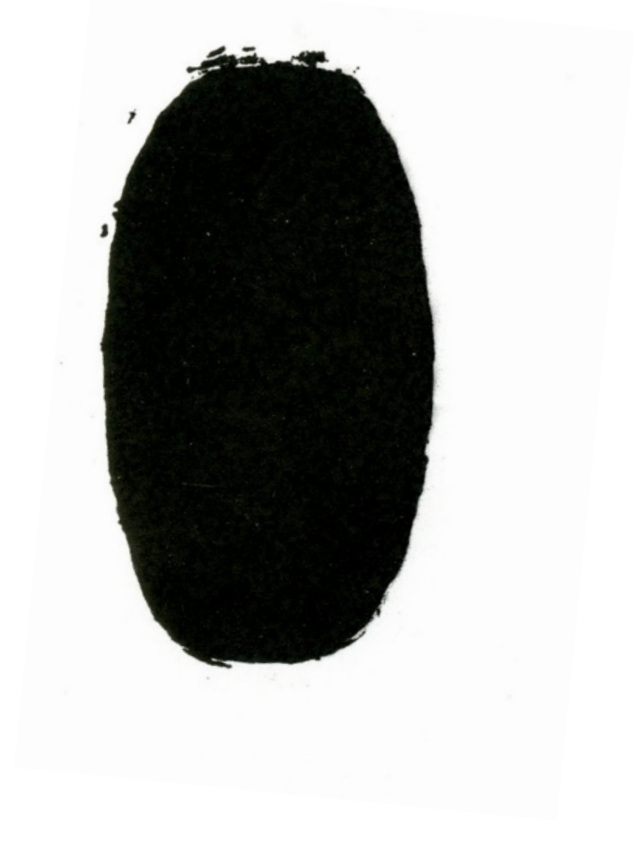

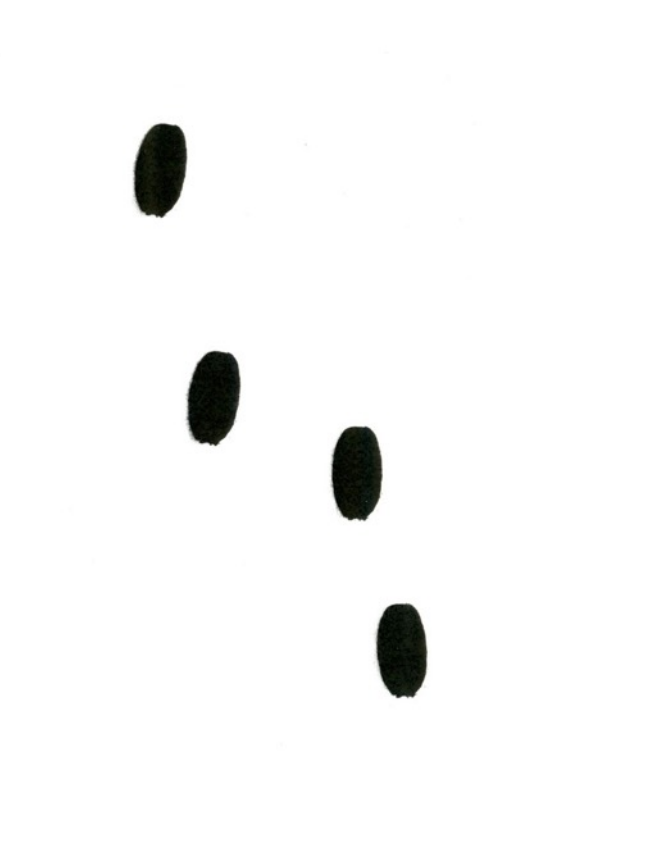

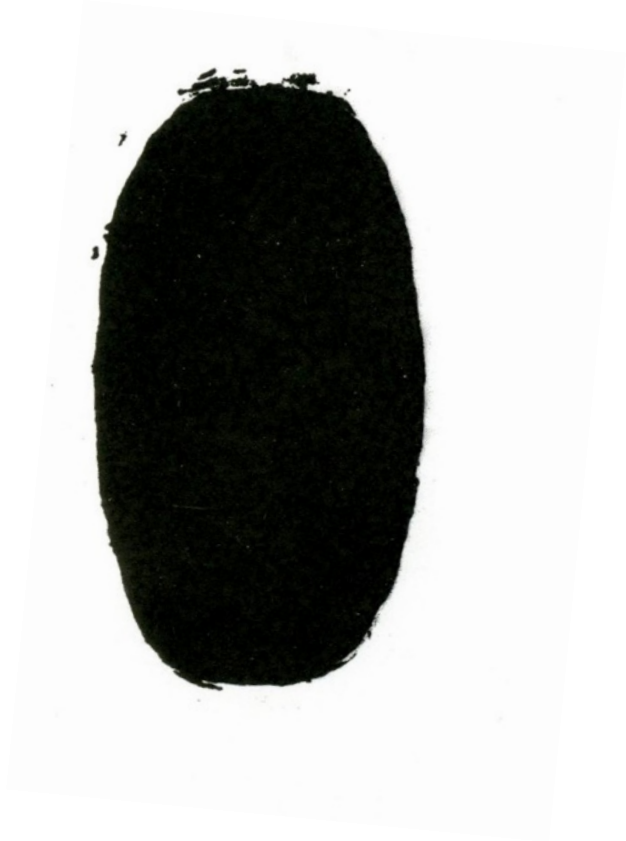

Diamond repeat system

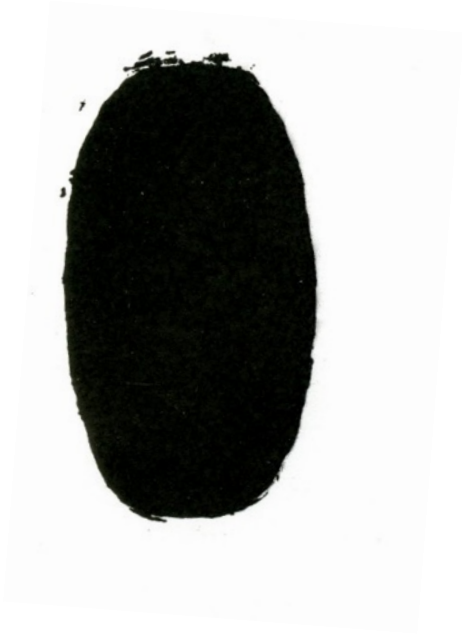

Seven point system

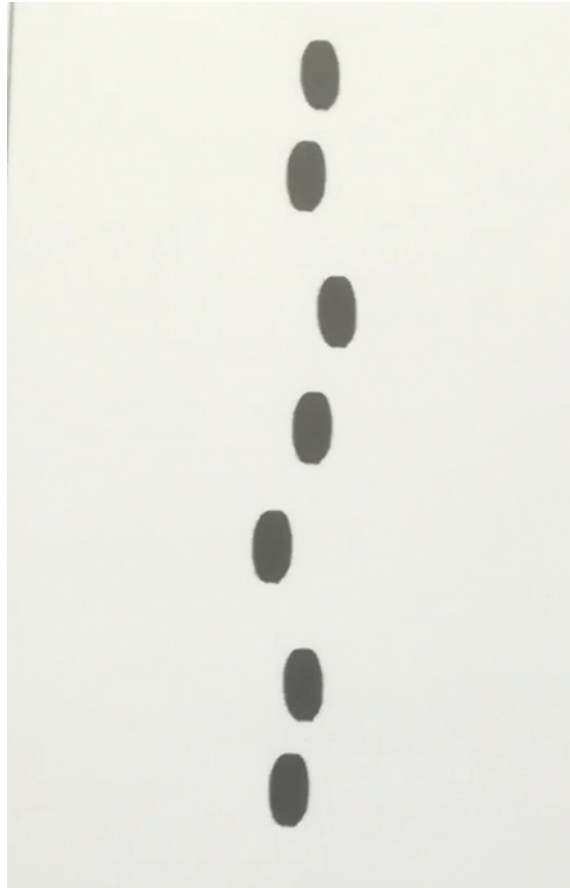

Design elements in composing the surface

Size

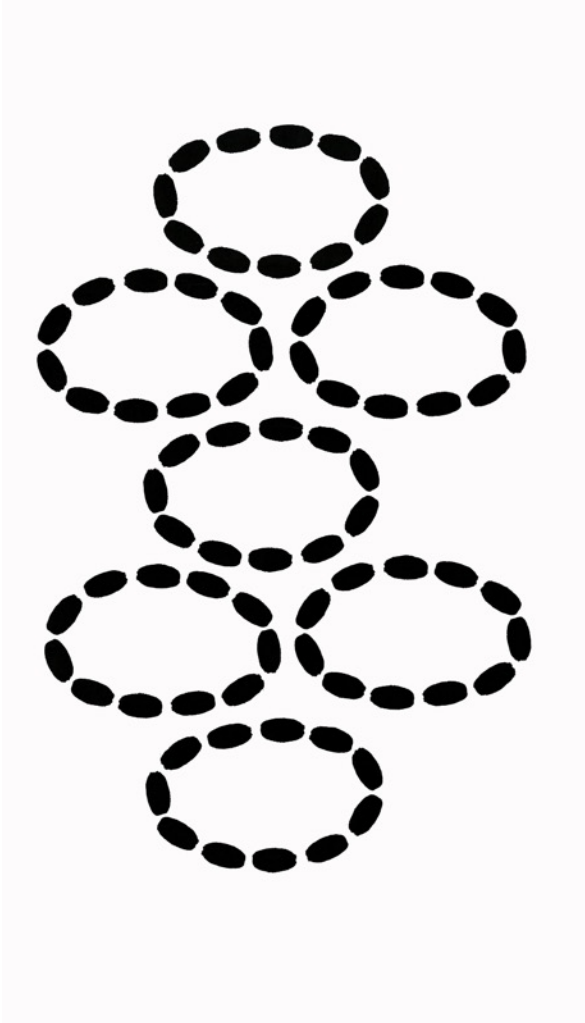

Direction

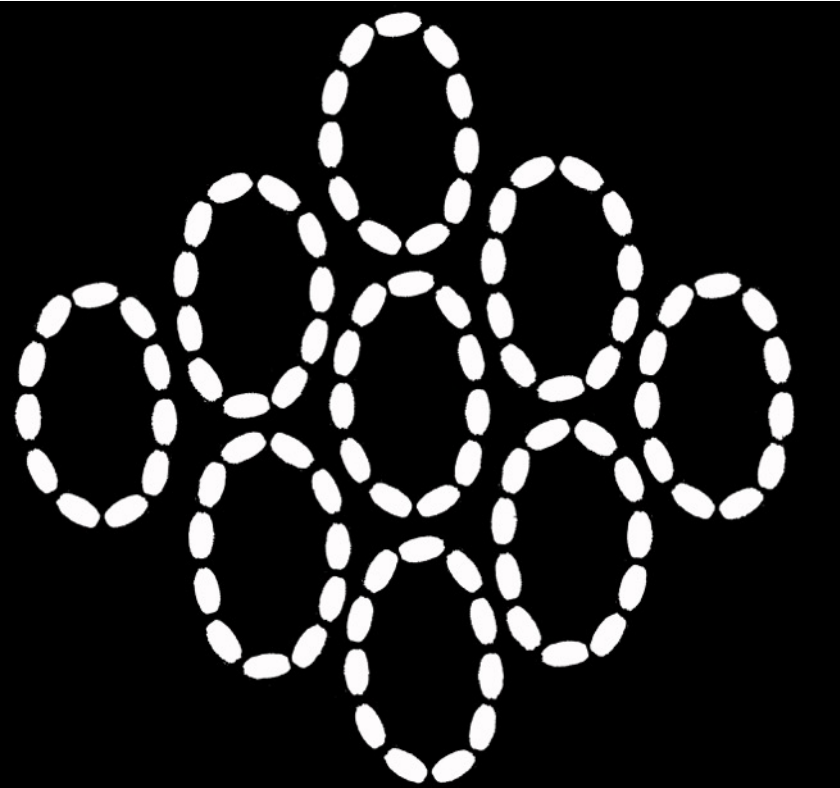

The effects of direction in patterns

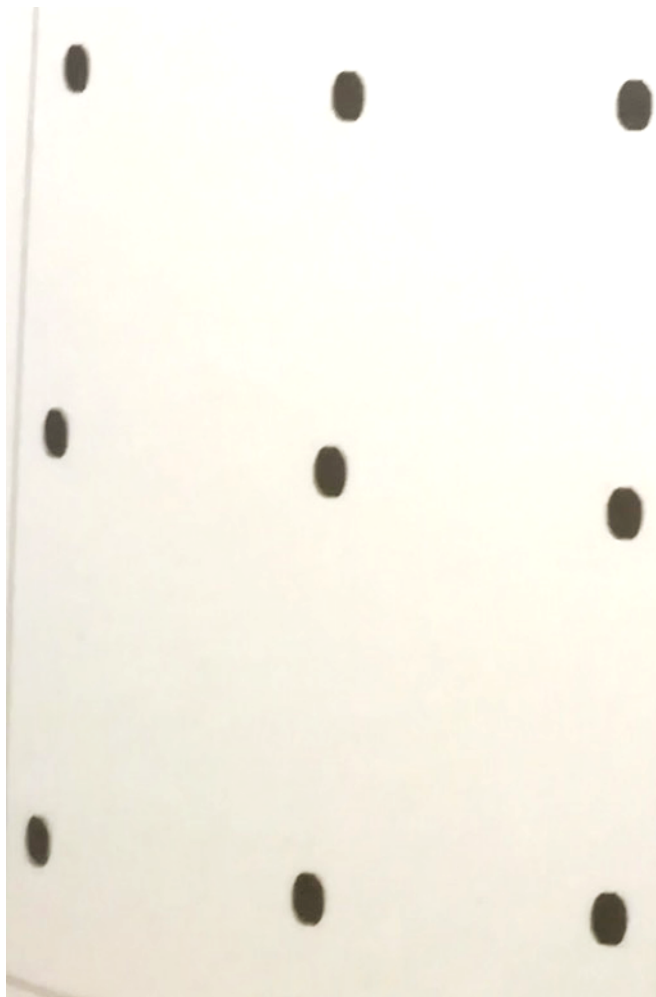

Different variations and scales

Negative version is one solution

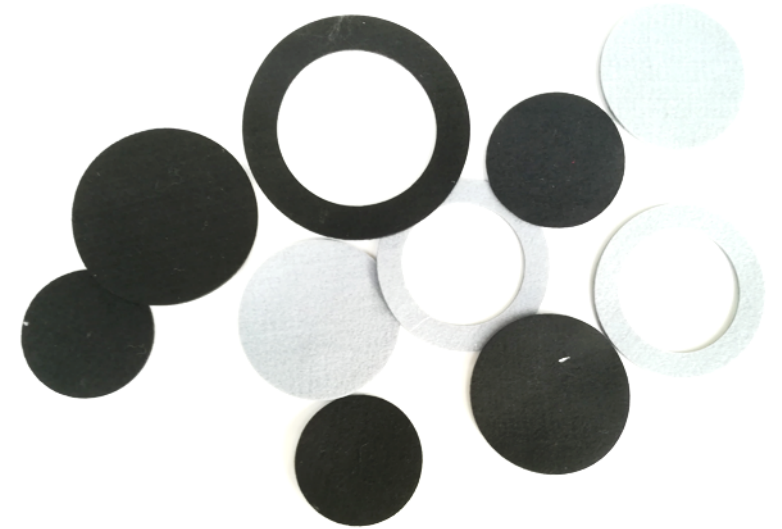

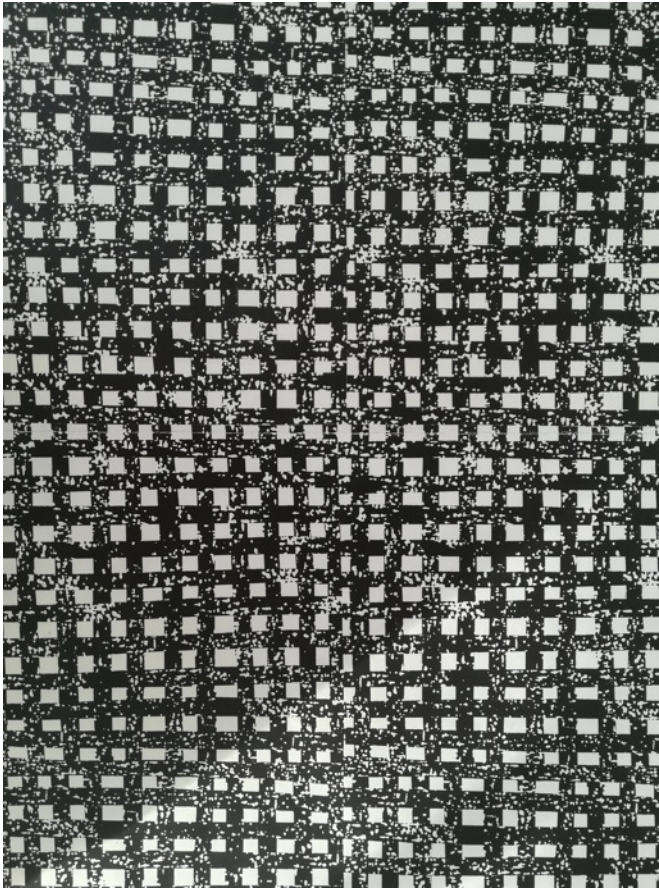

Density and size variants

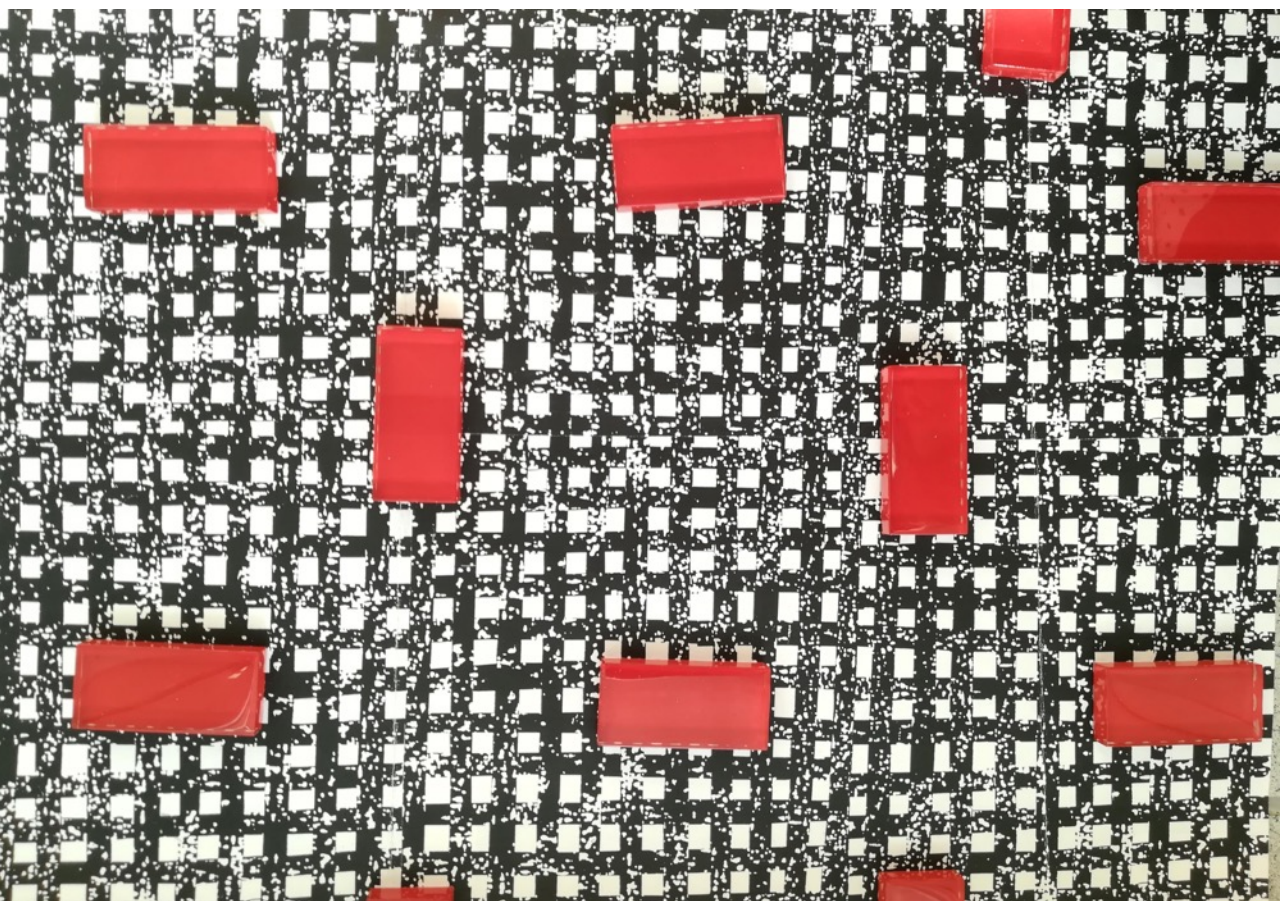

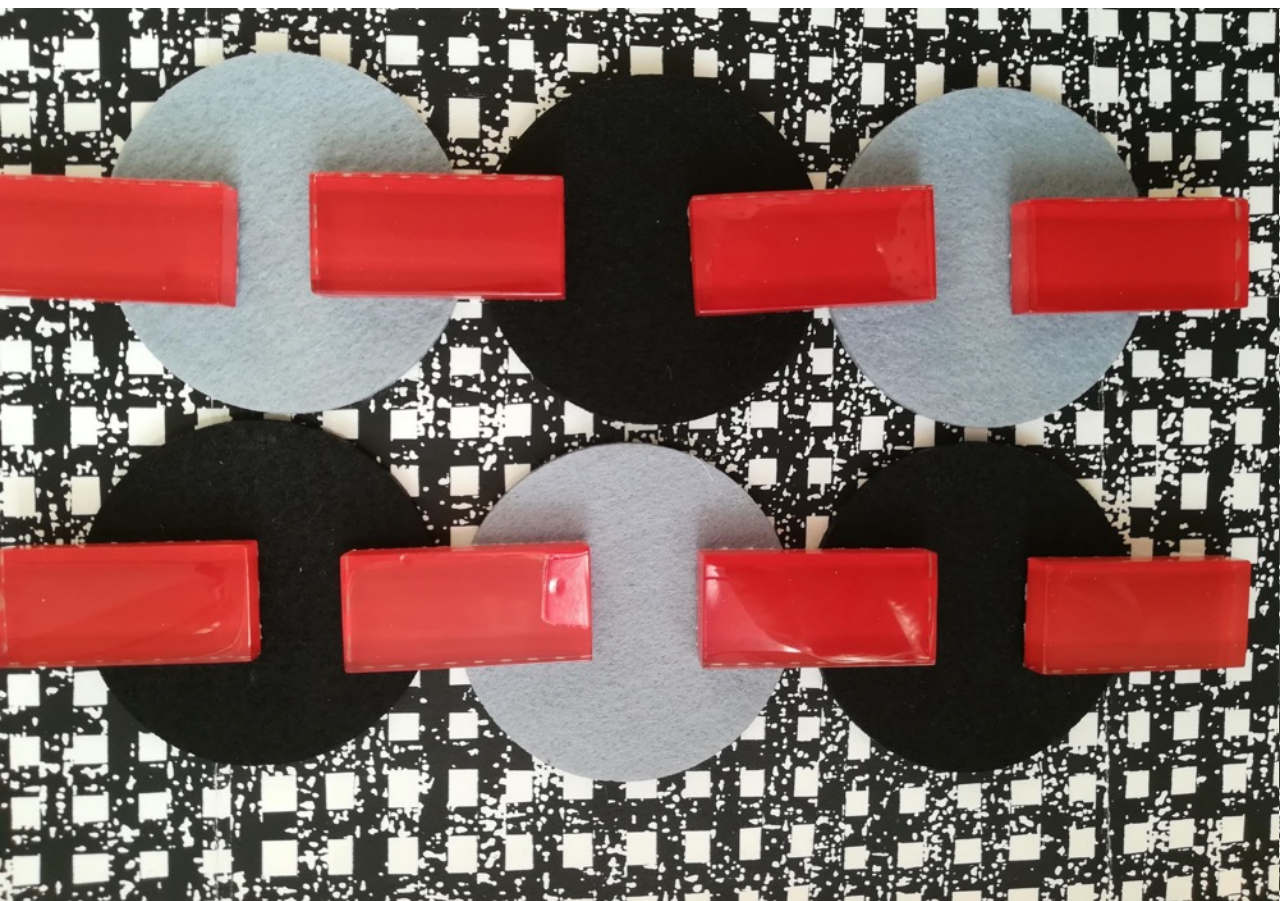

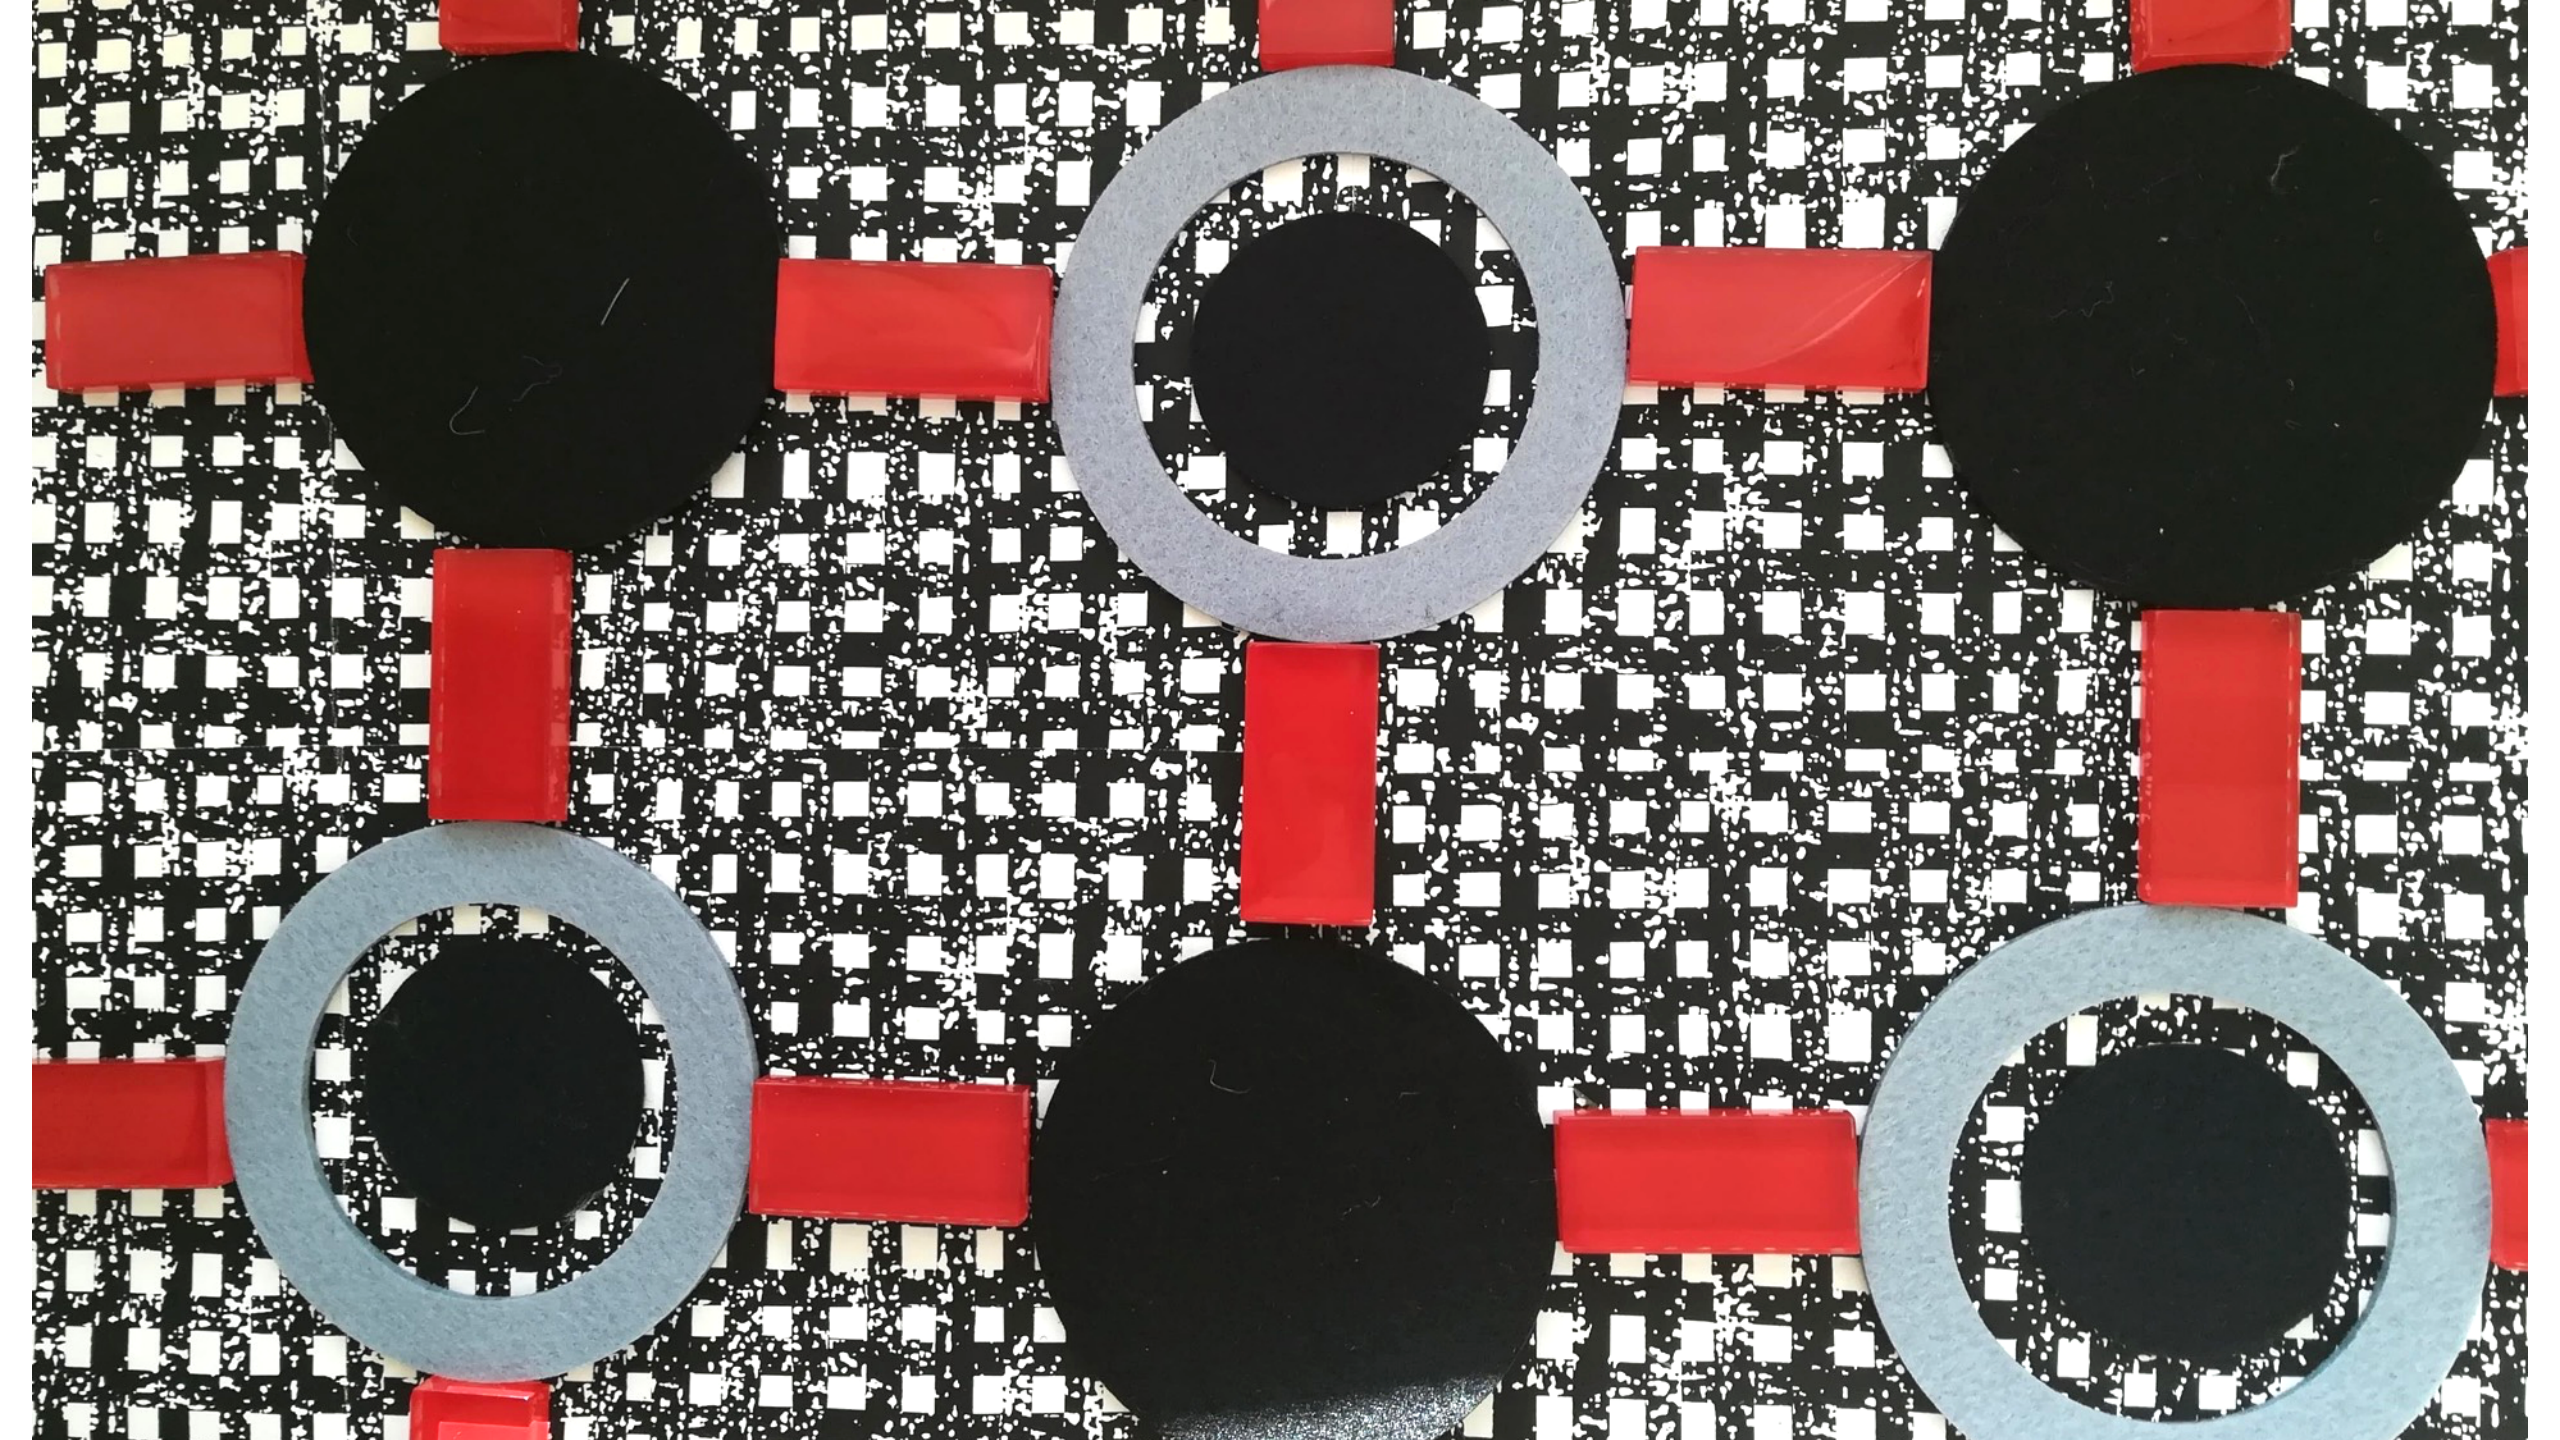

Lamp collection Laura Isoniemi 2012

Elements of design

Task 9.3 2021 /Laura

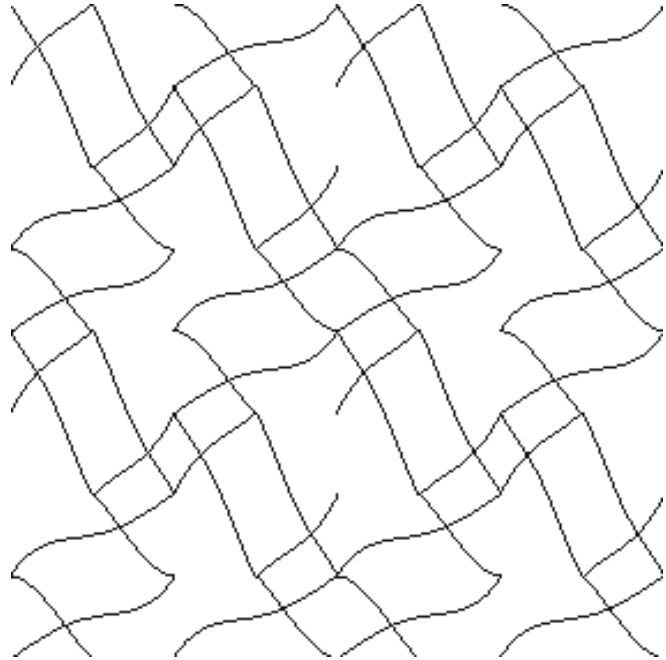

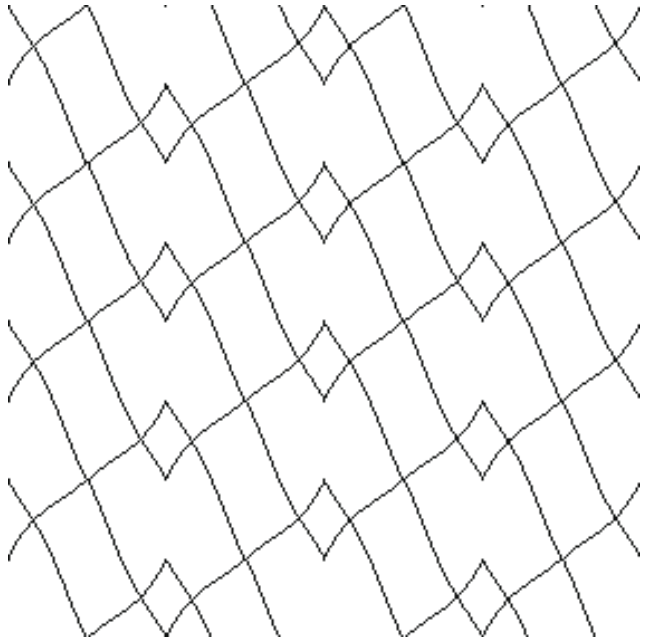

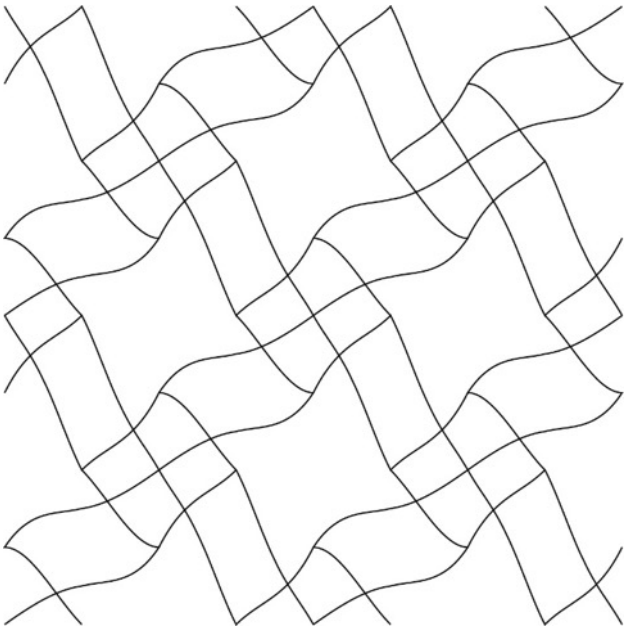

- Use your own **photo** or drawing and create a figure benefitting the square shape.
- Repeat several time of the same elements. Use square element as a basic motif where you make your drawing/photo

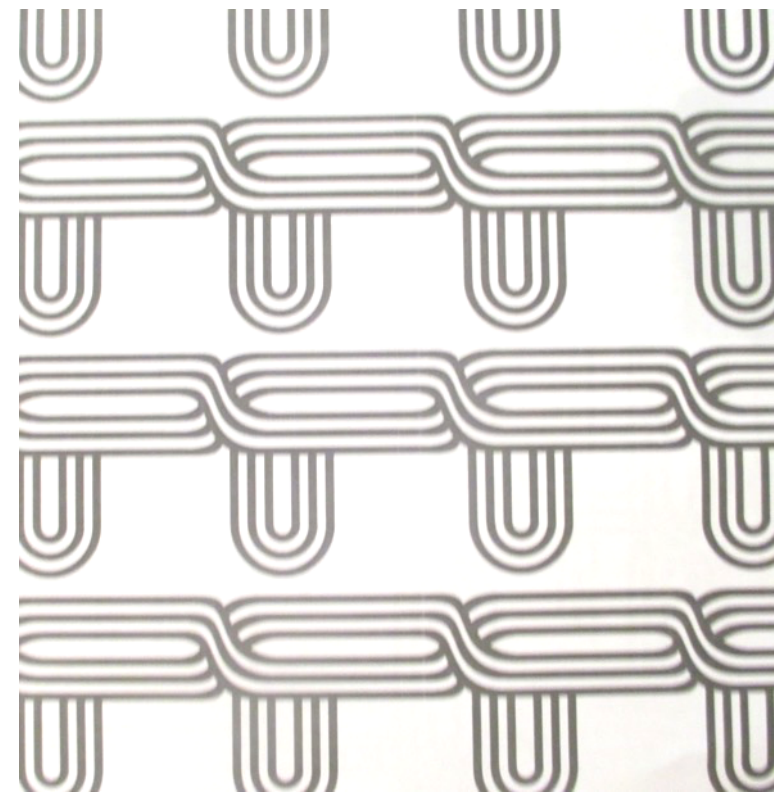

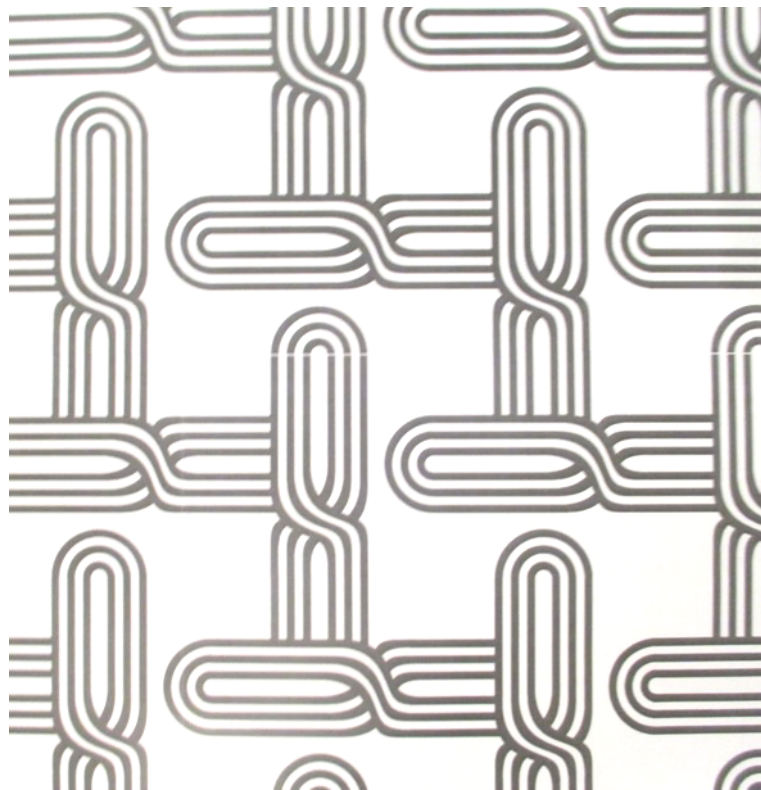

Create **3 very different compositions** by using same elements with different systems

Use symmetry, 90 or 180 degrees turnings, half drop system as your help, mirror efect
