## Building knowledge as a community in a continuous, interactive process

# Lahden suunta

Johanna Palomäki Master planning architect, City of Lahti (until Dec/2018) Planning manager, City of Espoo (from Jan/2019) Twitter @johannapalomak1 johanna.palomaki@espoo.fi

## Why should we arrange public participation

## How it is done at the city of Lahti

# 3. **What** are some outcomes

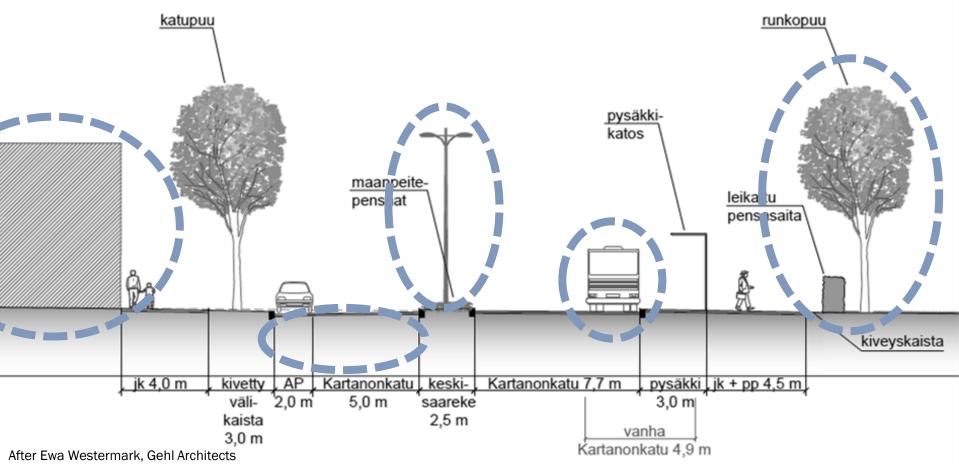

### ... and a peek at Espoo too.

## **1.** Why? For 5 minutes, think about 2-3 good reasons to engage people in the plannign of the city's future.

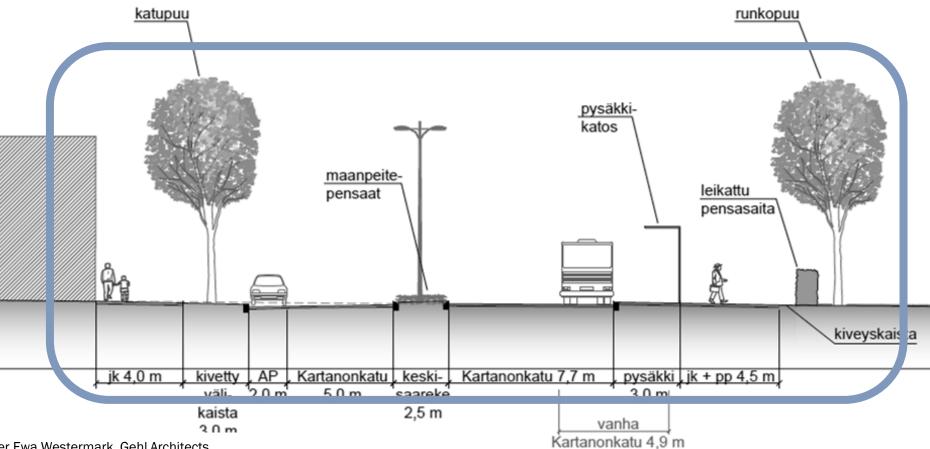

"Planning is a hopelessly **complex** *human* endeavor. It involves actions taken by some to affect the use of land controlled by *others*, following decisions taken by third parties based on values not shared by all concerned, regarding issues *no one* fully comprehends, in an attempt to guide events and processes that very likely will not unfold in the time, place and manner anticipated."

(Couclelis 2005, 1355)

#### ... to holistic planning

After Ewa Westermark, Gehl Architects

# The big picture Shared consciousness

McChrystal (2015)

## **2.** How?

ulto.

# We build knowledge, learning together.

# When we build knowledge, we think beforehand how it can be used in planning.

## The relationship between preparing plans, participation and decision making

#### Lahden suunta

arjen paikat ja reitit

10.4. Valo 12.4. Karisma 17.4. Trio 19.4. Rakokiven liikekeskus Klo 14-18

Mitä sinun mielestäsi kaupungissa pitäisi kehittää tai säilyttää? Millaisessa ympäristössä sinä viihdyt ja arkesi sujuu?

Huhtikuussa ideoidaan Lahdelle uutta suuntaa. Kauppakeskuksissa eri puolilla Lahtea järjestettävissä tapahtumissa aiheena ovat arjen paikat ja reitit.

Tilaisuudessa kahvitarjoilu. Tervetuloa!

#### My Everyday Places and Travel Experience in Lahti

Do you feel bored while you are in a bus? Do you change your route because you want to walk on a street you find relaxing? Do you have an idea about how to improve your everyday travel experience?

By participating in this survey, your valuable knowledge about experiences while on the move in Lahti will help the City of Lahti to improve your everyday travel experience.

This anonymous survey will take approximately 10-15 minutes to complete. You can quit the survey anytime you wish.

By taking part in this survey, you have a chance of winning 1 of the 3 vouchers worth 50 euros for Ticketmaster.

Need More Information?

The survey is a part of a research project titled Urban Aesthetics in Motion in collaboration with Aalto University and University of Helsinki, funded by the City of Lahti. As an essential part of the survey, your answers will be used to reach a deeper understanding of travel experience. All your responses will remain strictly confidential and stored securely.

For more information about this research or the survey, please contact henrik.saari@lahti.fi.

Ready to Participate?

Your responses will be saved automatically after each answer you provide. By clicking the right arrow on the lower right corner of this page, you are stating that you consent to participate in the study being conducted.
