

Late submission policy for problem sets

The following policy on late submission of problem sets will be adopted throughout this course.

- There is a grace period of 5 minutes, i.e. submitting your homework within 5 minutes after the deadline will not affect your grade.
- If you submit your homework from 5 minutes and 1 second to 1 hour after the deadline, your problem set will be graded but the grade will be cut by 50%.
- Any submission beyond 1 hour after the deadline will automatically get a grade of zero.
