

Context Issue

tactic

- temporality - territorialization
- intensification - co-articulation

strategy

- mapping - pre-figuring
- re-framing - infrastructure

THE PROJECT

a proposal for

Re-using an idea

what is it?

Contextual transposition
AND/OR

creative idea

originating

becoming a
'prototype'

how is it functioning?
what are its limits?

what do I find?
out through this?

meanings

what social
change does
it engage?

implementation

practicalities
