

# Design Factory Machine Shop Places of Purchase

The document is divided into these categories:

- Accessories
- Raw materials
- Surface treatments
- Tools and bits
- General stores
- Aluminium profile and fasteners
- Subcontracting

The items mentioned are mainly what Design factory has purchased from there, but the companies offer a lot more as well.

## Accessories

<b>Company</b>	<b><i>Items purchased before</i></b>
DF own storages	Explore and ask staff
