

# Continuum Mechanics and Material Modelling 2023

## MEC-E8002 P (5 cr)

### Information in three tables

The present document gives the main part of the information given in the course leaflet in three tables.

### Lecture, homework, calculation hour and exam

What	Day	Time	Where	1st & last
Lecture	Monday	12:15 - 14:00	K1 215*	Jan 9 & Feb 13
	Tuesday	?	?	Jan 10
	Thursday	10:15 - 12:00	K1 215*	Jan 12 & Feb 16
Calculation hour	Friday	10:15 - 12:00	K1 324**	Jan 13 - Feb 10
Leave my solutions	Wednesday	Noon	MyCourses	Jan 18 & Feb 15
Examination	Thursday	13:00 - 17:00	K1 215*	Feb 23
	Thursday			Jun 8
	On request			

\* K1, Mechanical Eng. 1, Otakaari 4.

\*\* K1, Mechanical Eng. 1, Otakaari 4.

There is a map of lecture rooms close to the janitor's office.

In MyCourses there is a map where you can find the above address.

### To pass the course

What	Min	Comment
Homework 5 x 6 = 30 points	40% = 12 points	Points above 12 can give 3.5 points for exam
Comments	None	Can give 2 points for exam after passing exam
Exam	Not defined	Max 24 points

### People responsible for the course

Position	Name	Office	Phone	Appointment	e-mail
Lecturer	Kari Santaoja	K1 151	050 432 6623	Send email	Kari.Santaoja@aalto.fi
Assistant	Ahmad Waqas			Calculation hour	Ahmad.Waqas@aalto.fi
Emergency contact person	Jouni Freund	K1 139	040 572 0465		Jouni.Freund@aalto.fi
