SELF & PEER -EVALUATION

Team Name:

_____

My Name:

_____

How would you rate your individual effort and contribution to the project (1–5)

5: I was committed to the project, worked hard and did my best to achieve all the project goals and pushed for a high quality result
3: I worked with most most tasks towards the project goals
1: did not work as much as others towards the project goals

Please give yourself a grade (1–5) and explain why:

Responsibilities & Contribution

Please describe your responsibilities and contribution in the project?

Others contribution (1–5)

Please describe the responsibilities and contributions of each of the other teammates.
Was someone clearly taking more responsibilities or leading the development in your team?
Was there someone who did much less work than others?
Please give your teammates a grade (1–5) and explain why:

Name: Grade: Because:
