## Submit your request

**Students:** Use the form below to request a one-year subscription to Axure RP each year you are enrolled in school.

**Teachers:** Use the form below to request a license key for your own computer and an additional classroom key to be used for campus computer labs.

[The terms \(not for commercial use\) can be found here.](#)

## Download the trial

Give us a few days to respond to your request. In the meantime you can [download and use the free 30-day trial of Axure RP.](#)

If you would like to know the status of your request, please email us at [sales@axure.com](mailto:sales@axure.com). Please do not resubmit your request.

## Receive license info

As soon as your application is approved, we'll send you an email with license activation instructions.

Students will receive a one-year subscription that they can renew each year of study.

Teachers will receive a license key for their own computer and an additional classroom key to be used for campus computer labs.

# InVision

<https://www.invisionapp.com/studio>

”For security reasons, you need a code. The code is: 56-73-13-19”

”If a student already has an account, just have them email [education-support@invisionapp.com](mailto:education-support@invisionapp.com), along with their expected graduation date, and we will make sure they get their upgrade.”

Pre-recorded demo:

<http://bit.ly/invision-edu-demo>

”It runs about 31 mins. I recommend showing it in class, as well as sending the link to the students. That way they can go over anything they want clarification on.”
