

## Learning Centre – key points for new students:

- To avoid queues, you should only get your **library card** when you actually need to borrow something for the first time. You should fill in an application beforehand online. Pick up the card from the customer service desk with your valid ID.

### We offer:

- Multipurpose **spaces** to read, to work in groups, to give art exhibitions...
- Essential **materials** for studies: books, journals and all sorts of e-materials
