

AMAZING 

# ROBOTS CONTEST 2021

FOR STUDENT TEAMS

**The task is to make  
a robot that makes  
something interesting.**

**What does it do, the  
team must invent.**

**The purpose is to let  
creativity and technical  
skills bloom.**

PRIZES

10 000 €

5 000 €

2 000 €

## Rules, Registration and Seed Ideas

You can find the rules of the contest, registration information and some seed ideas to trigger your imagination from [www.ties.fi](http://www.ties.fi) (Society of Information Technology and Electronics (also in Finnish)). Early registration is highly recommended. Contact person: [mauri.inha@ties.fi](mailto:mauri.inha@ties.fi)

The competition takes place in connection with Teknologia 21 trade fair in Messukeskus 9.-11.11.2021
