## General information

- The exercises will be held at Zoom and Teams.
- Use your group number!
- Check the time of the meeting!
- If the time is not suitable for you, go to another group.
- Submit your homework solutions to MyCourses.
- Students DL is in Tuesday evening.
- Assistants DL for rating is in next Monday morning.
- The points are published in Monday morning.
- If some points are still missing, they will be available in next week update.

## Zoom

- Zoom can be downloaded to your computer:  
<https://www.aalto.fi/en/services/zoom-quick-guide>
- Use the given link to join the group meeting!
- Teacher present the question and gives principles and tips for solutions.
- Students can ask questions and share comments.

## Teams

- Teams can be downloaded to your computer (recommended):  
<https://www.aalto.fi/en/services/microsoft-teams>
- Another way is to use the online version (all the functions are not available):  
<https://teams.microsoft.com/>
- Logging in to the Teams is done with Aalto IDs.
- Login to this course: Teams -> Join or create teams -> Join a team with a code: **3fsq5ul**
- You can discuss on the Discussion channel, which is visible to everyone.
- A queue is used for questions about your own solution. The teacher contacts the student.
- Read the directions given in Teams!
- General Teams instructions:  
<https://www.aalto.fi/en/services/microsoft-teams>
