

6.9.2020, Surfaces and Films, Zoom instructions, Ville Jokinen

First time attending a Zoom lecture through MyCourses you need to do the following:

- Click on the Zoom remote sessions link in MyCourses in the Lectures tab.
- Click “Join Meeting”
- A pop-up window opens with Zoom_launcher.exe, click download file and save files.
- After saving the file, open the file and click run
- Give your whole name and click “Join”
- Agree to the terms and conditions (after reading them of course)

The above needs to be done only once.

In all subsequent times, just click on the Zoom link in MyCourses and join with your full name.
