

# Physical Chemistry

2020

## Exam and exercises

The exam will be in the exam week, starting at 19.10. 2020 but I do not have the date at the moment.

The exercises will contribute to 25 % of the grade and the exam 75 %

## Exercise sessions

I have been asking a time slot for that for two week but I do not have any time yet.

## The course schedule (tentative)

Lecture 1: 8.9. 12.15-14.00: intro and chapter 1

Lecture 2: 11.9. 14.15-16.00: chapter 2
