

"You as Reviewer" Assignment (DL final submission: 22.10)

Your name _____

Day of the presentation _____

Name of the presenter _____

Title _____

Author(s) name(s) _____

Journal title, volume, page, publication year _____

Do you wish to share this review with the presenter? (Y/N)

Total workload (hrs) _____

Your critical reading of the paper (point 6)	
<p>Abstract Summarize in your own words what this article "is all about"?</p>	
<p>Introduction/Background Pick two sentences that you consider to be most important, write them here and add your comments. Identify the research question(s) the Authors will address in their paper</p>	
<p>Results Identify 1 or 2 images that you believe are most representative of the paper. Briefly comments on why. What is the message that the Authors want to convey with those images?</p>	
<p>Experimental Details Is there enough (experimental) details and information for you to reproduce the work in your own lab? Briefly comment on it</p>	
<p>Discussion/ Conclusion How thoroughly the result(s) presented in the paper answer the main research question(s)? Briefly comment on it</p>	
<p>Your questions for the Author(s) Do you have any question for the Authors? Do you think the Author(s) have provided enough evidence for the results?</p>	
<p>Supporting Info Did the paper had supporting info? Did you read this document? If YES, was it useful?</p>	
<p>Bibliography Are references up-to-date and supporting the topic?</p>	

Your colleague's presentation (4 points)						
Did the presenter explain why he has chosen this article. If YES, briefly comment on it.
