

A4 Persuasive Team Presentation - Version 1

The presentation will be given in teams - the same teams that you had in A1.

2. Plan a 15-minute persuasive team presentation. Think carefully about your objective, main arguments and storyline.
3. Design creative visuals. **Upload your visuals to the MyCourses submission box by 1 pm in Session 6.**
4. Show and discuss your visuals during consultation with the teacher in Session 6 (e.g. share your screen).
5. Revise your presentation and visuals based on the feedback that you receive.
6. Rehearse, rehearse, rehearse
7. **Deliver the presentation in class in Session 7. Before coming to class, submit your final presentation visuals to the A4 final version submission box in MyCourses.**
