Digital Fabrication 2021

Fab Academy with credits

**AALTO
FABLAB**

A!
Aalto University

Introduction

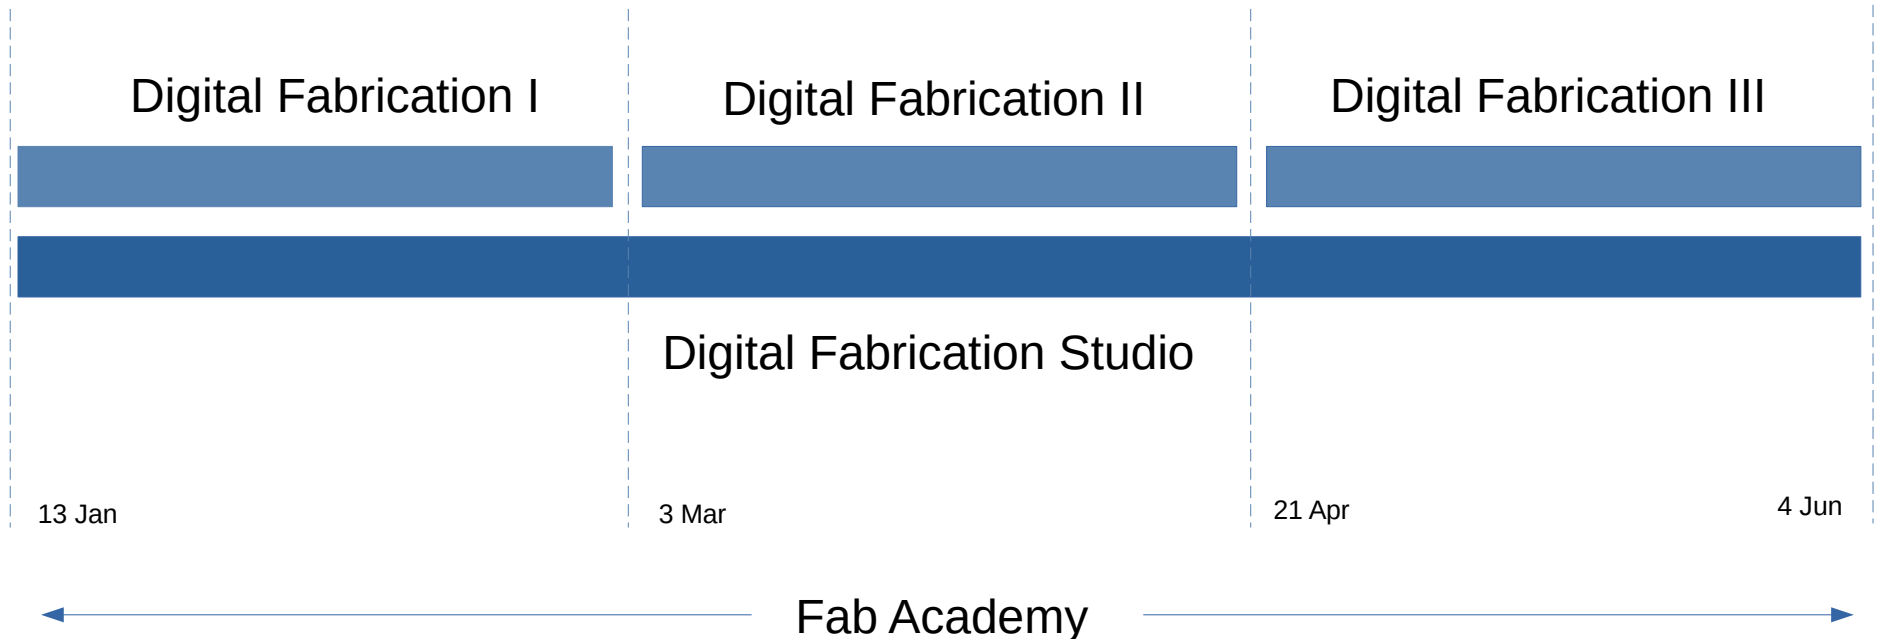

- About Fab Academy
- About the Course
- Introductions (Kris, Matti, Bonny and students)
- Aalto Fablab 360 Tour
- Course Pages
- Schedule Next Week

Fab Academy

- Learn to make (almost) anything
- The Fab Academy is a fast paced, hands-on learning experience where students learn rapid-prototyping by planning and executing a new project each week, resulting in a personal portfolio of technical accomplishments.
- <https://fabacademy.org>

About the course

- 4 courses that overlap Fab Academy

Student introductions

- Kris
- Matti
- Bonny
- Fab Academy students
- Aalto students
