

COURSE DESIGN

- **Media point of view: Dr. Teemu Leinonen, Department of Media**
- **Design point of view: Dr. Heidi Paavilainen, Department of Design**
- **When you are emailing us, please have ARTX-C1001 in the subject line.**

- **Design and Media Cultures, 3 cr, begins the series of three courses joint to the Department of Design bachelor students. Each of the courses opens topics and discussions of its host major/programme. DMC is hosted by the BA Programme in Design.**
- **DMC focuses to ways our contemporary culture is saturated with design and media. Coverage is far from perfect, but aims at offering food for thought and some interesting points of views towards the meanings and the significance both design and media have in the lives of people.**
- **Workload: Independent and group work: 7 hours / week on average but increase towards the last 4 weeks of the course. Reflection and self-assessment: at least 1 hour a week.**
