

AAE-E1000 information on evaluation–Autumn 2021

Evaluation overview

Students need a minimum of 60 points to pass this course, 100 points maximum.

Course Project (max 75 points)

The course project will be released after the 2nd lecture and it will be evaluated using the rubric found via MyCourses for this assignment. Read carefully also the assignment text and post any clarifying questions to the General Discussion board on MyCourses. Drop-in Q&A sessions will be organized on 05/11/21 (time TBA) and 02/12/21 (EF slot, 16:15-17:00)

The assignment points and feedback will be reported through MyCourses.

Deadline: 17.12.

Course Project Outline (max 5 points)

Rough outline of proposed project, including country choice, country specific subsection titles, initial bibliography and some bullets under relevant sections reflecting the lectures and readings so far.

Marked 5p for doing what is asked, 3p if minor gaps exist and 0p if no submission/no real attempt to do what is asked.

Deadline: 1.11.

Energy Forum Assignment (20 points)

The Energy Forum assignment will be evaluated based on the grading rubric available on MyCourses. Please also read carefully the assignment instructions.

Deadline: 17.12.
