Some views from the logs

Managing energy levels is important and can be most challenging on Fridays

Ilona's session was useful and Presemo sounds good

Teaching with a team can be extremely challenging – too many cooks

There are many methods out there, need to figure out which ones suit me

Course is heading towards more hands-on issues

Instructions

1. Use 10 + 10 min per person

- 10 min teaching session
- 10 min feedback discussion

2. Assign a chair for each session - each one has this role once

- Manage time and show when 2 min and 1 min left out of 10 min
- Manage feedback discussion, assure everyone gives feedback
- Start feedback discussion by asking the teacher how it went
- Fill in the feedback form during / after the discussion

3. Hand in feedback forms to Marja and Christa to Proffa before you go to lunch

4. Come back to class by 13.00

Key takeaways from pre-assignment

Next two times

- 1. Next Monday: 9.30-16.00!**
- 2. Prepare carefully to get the most out of next session**
- 3. Projects – remember to complete in time**
- 4. Second teaching practice**
 - Consider the feedback from this time
 - Plan holistically (ILOs, session, assessment)
 - Relate to your own field, remember nonexpert audience
 - Get feedback also from teacher
