

B.

Your partner starts the exercise by asking these questions:

- *Mikä hänen (her/his) nimi on?*
- *Miten se kirjoitetaan?*

Answer the questions with the first name of your list. Your partner might ask for repetition.

- *Voit sä toistaa? (Can you repeat?)*

Don't tell the correct answer yet, but, instead, when your partner has written down the name, it's your time to ask the same questions. Your partner will answer. Go through, one by one, all the names in the lists and in the end compare your answers to the original list.

Your names are:

1. Seija Simola
2. Teppo Hämäläinen
3. Ville Möttönen
4. Simo Häyhä
