

# Social Change in Social Entrepreneurship

? does this definition disagree "agentic actor"???

No... focus also on around its active groups related to each other

being able to imagine a different way of using the space and community behaviour change as a result

use of a wall

watching movies together

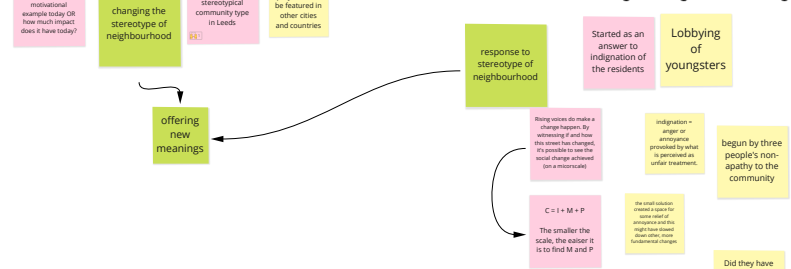

## Social Change as Change of Everyday Practices

## Social Change as Relational to Multiple Circumstances

## Social Change through Protest/Indignation

## Social Change as Change of Power Relations

## Social Change through Education
