

5 times why

Individually, reflect on the possible underlying reasons and motivations connected to the development challenge of your project.

Goal of the project or a key related observation:

Why is this the case or why does this matter? Because...

Why is this the case or why does this matter? Because...

Why is this the case or why does this matter? Because...

Why is this the case or why does this matter? Because...

Why is this the case or why does this matter? Because...
