

Schedule of the assignments – updated 3. Feb 2022

By 7 February:

Lasse Niemi's sessions

I Brief introduction to causal inference in observational accounting research

II Three examples of different approaches to auditing research

Email your assignments to anila.kiran@aalto.fi.

By 12 February:

Kalle Kraus's sessions

Part I: a written memo (maximum 2 pages)

Part II: a written memo (maximum 1 page)

Email the memos to kalle.kraus@hhs.se

By 15 February:

J-P Kallunki's session:

Prepare a Power Point presentation to answer the questions in the classroom.

By 17 February:

Eduardo Schiehl and Seppo Ikäheimo's session

Discussion (presentation) of one article from core readings. We will assign one article from the readings to each student (or pair of students), to be discussed in class.

By 28 February:

Kari Lukka's session

Write an essay. Further instructions for writing the essay at the session.

By 4 March:

Eduardo Schiehl and Seppo Ikäheimo's session

Individual assignment for developing research ideas. Report should be about 5 pages long. Return your report by email to Professors Schiehl and Ikäheimo.

See details and further instructions on the assignments in *Readings and instructions* section for each session.
