### Gruppen:

- Look up your study subject in the German speaking counties.  
What is it called in German (if there is a German name). Where would you like to study?  
Which university or school would you choose?
- Try to find out about **Semesterbeitrag** (semester fees) and **Semestertickets**.  
How much? What do they include? > File in section "Studieren"  
Any other interesting aspects? (accommodation, price level, surrounding...)

Share in the group.
