

The Future

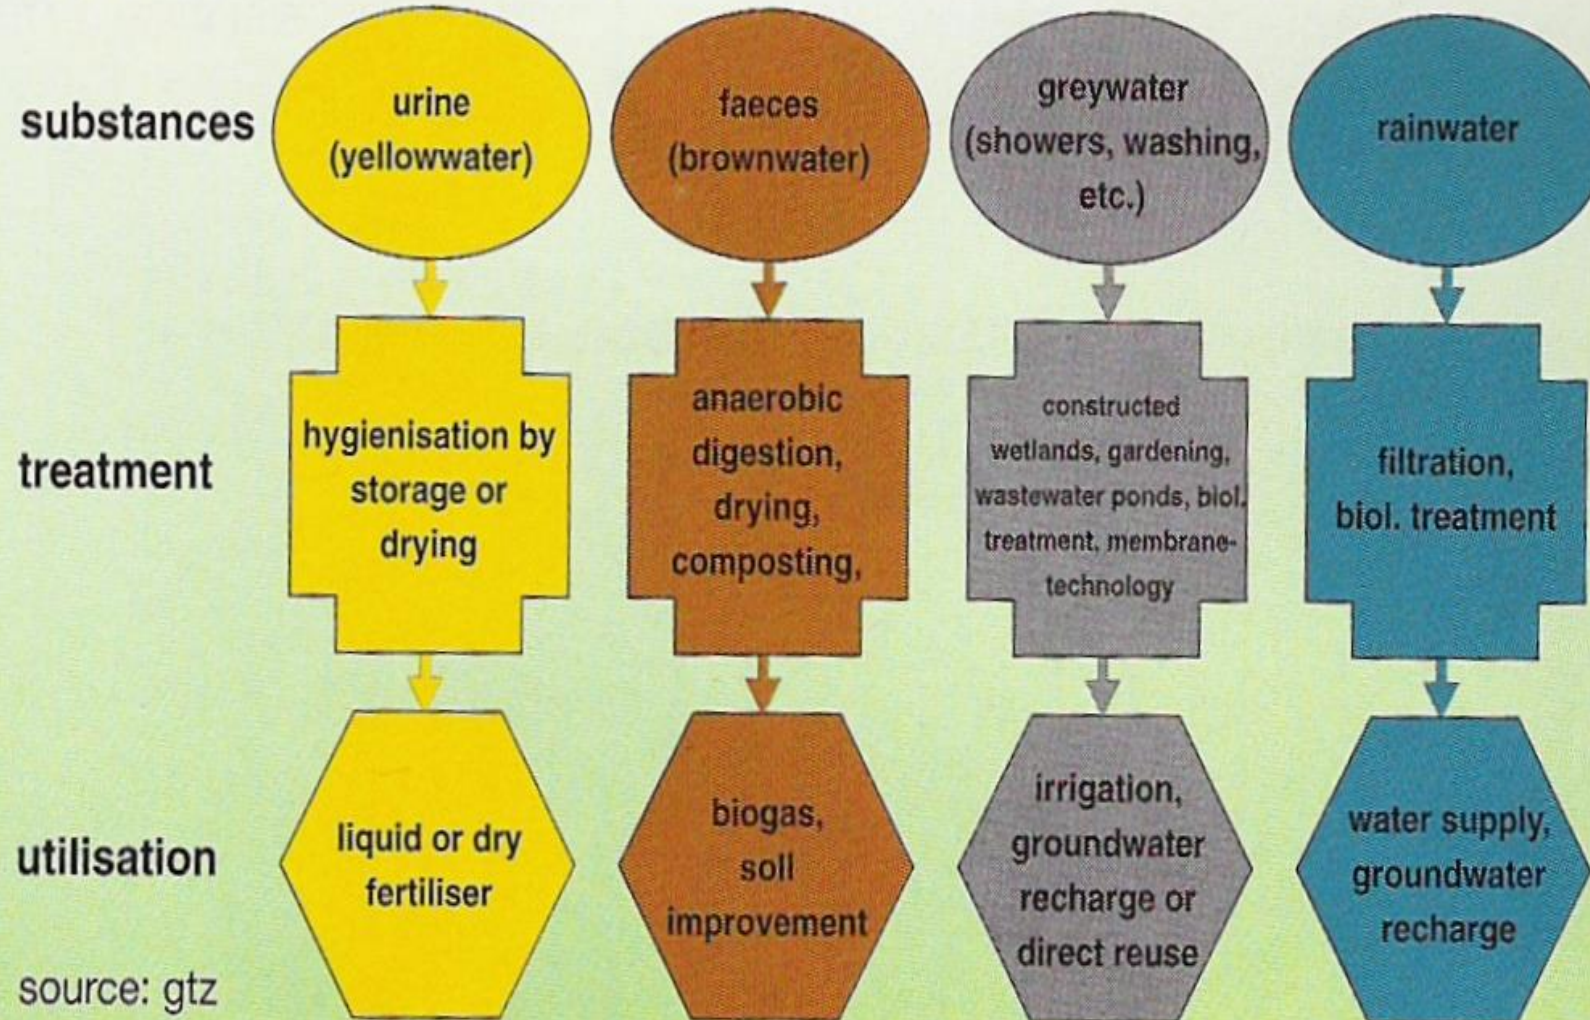

Why to use clean water to flush our toilet?

**Ecological sanitation:
nutrients and carbon in
closed circle**

separation of substances

HUBER Solutions for Decentralized Wastewater Treatment and Reuse

Invest scarce money rather into **wastewater clarification** than into wastewater transport through sewer systems. Decentralized wastewater treatment is wastewater treatment at source.

Product development is needed !

**COMPOSTING TOILETS,
BIELEFELD AND
ROSTOCK, GERMANY**

Harri Mattila, 2003

**GEBERS HOUSING PROJECT,
COMPOSTING TOILETS
STOCKHOLM, SWEDEN**

**NEW INNOVATIONS
NEEDED !**

Please sit down
when peeing

Damn the
women
