

Welcome to the opening ceremony of the Meyer lecture hall!

September 9th 2022, 10:00-11:00

Aalto University School of Engineering, Otakaari 4, Room K1-215

You are kindly invited to attend the opening ceremony of Meyer lecture hall. Besides the commissioning of the lecture hall by Aalto President, Dean of ENG school and Meyer Group¹, the event highlights the grand challenges in the sustainable and safe use of the oceans. Your participation is highly appreciated since we are looking for new initiatives both in fundamental research and education, to establish paradigm shifts toward a sustainable future and worldwide societal impact.

Due to limited seats, please confirm your participation by September 2nd via <https://link.webropol.com/s/MeyerAalto>.
