

B.

Your partner starts the exercise by asking these questions:

- *Mikä hänen (her/his) nimi on?*
- *Miten se kirjoitetaan?*

Answer the questions with the first name of your list below. Your partner might ask for repetition.

Voit sä toistaa? (Can you repeat?)

Your partner will write each name in the chat so that you can check if it's correct. When they have written all the four names, it's your time to ask the same questions. Your partner will answer. Go through, one by one, all the four names and post them in the chat. If you need repetition, notice the Finnish phrase above.

Your names are:

1. Seija Simola
2. Teppo Hämäläinen
3. Ville Möttönen
4. Simo Häyhä
