

Pre-assignment: Introduction of You

To get to know each other and share some thoughts on Industrial Wood Construction we ask you to prepare a slideshow of 3 slides following these instructions:

Format: A4 size pdf file (landscape orientation) with 3 pages.

The topic for each slide:

1. Me...
2. Industrial wood construction means...
3. Surprising industrial wooden project...

You can use pictures and text freely.

You can talk about the topic for 20 seconds and automatically the slide will jump to the next one. The presentation will be timed.

Please, upload your presentation by **Sunday 8.1** in MyCourses latest at 18:00, so we can combine them into one file in advance and proceed smoothly.

Name your file as follow: "IWC2023 - 1 - 10 - *your name*"
