

Aalto University

LC-1117 Integrated English with CHEM-C2420 Materials Performance

Aalto University/Language Centre

Jaana Suviniitty, PhD

What?

- **English course to support your subject course tasks**
- **English course to be completed while working on your subject course**
- **A motivating English course related to your subject matter**
- **A different opportunity to complete the university requirement on foreign language**

When?

16.03.-20.04.16

wed 13.00-16.00 R011/C301

Registration will start later

25.01.16 klo 09.00-

09.03.16 klo 23.59

H08

Jaana Suviniitty LC-1117

Why?

- **More motivating to study English with your subject course**
- **Support for your course assignments**
- **Better results (if you work!)**
- **Retention of the taught items is better since you apply them immediately in reality with your assignments**

How?

- **Register for the course LC-1117**
- **Come to each group meeting**
- **Meetings are workshop style meetings – as little lecturing as possible**
- **Practical exercises**
- **Small group work**
- **Peer feedback**
- **Feedback from the teacher**

Who?

- **English teacher:**
 - Jaana Suviniitty, University Lecturer
 - Dissertation based on lectures held in the Forest Products Department during 2005-2006
 - Business background in FBI (Outokumpu, Enviroburners)
 - Worked in the Department of Forest Products Technology 2005-2013.

Questions?

Looking forward to seeing you in the course!
