

# Preparation: Before Workshop 2

## A: Listen to these six videos

1. PowerPoint's defaults are weak (~5 min) at [assertion-evidence.com](https://www.assertion-evidence.com)

Listen to videos (2-5) at <https://www.assertion-evidence.com/teaching-films.html>

2. First principle: Build your talk on messages (~6 min)

3. Second principle: Structure your message with visual evidence (~3 min)

4. Structuring a scientific presentation (~6 min)

5. Delivering an assertion-evidence talk (full version) (~6 min)

6. Thought-chunking at <https://www.youtube.com/watch?v=i5Qcc0Y1SK4&feature=youtu.be>

## B: Review these materials

- Examples of before and after using assertion evidence – Contrasts PPT and A-E slides
- Examples of before and after using assertion evidence - Contrasts slides of a previous student
