

A.

You start the exercise by asking these questions:

- *Mikä hänen (her/his) nimi on?*
- *Miten se kirjoitetaan?*

Write the names in the chat so that your partner can see them, if you need repetition, ask:

Voit sä toistaa? (Can you repeat?)

When you have written down all the four names, your partner will ask the same questions about your list. Go through, one by one, all the names in the lists and compare your partner's answers to the original list.

Your names are:

1. Hanna Mattila
2. Riitta Huuskonen
3. Mikko Järvinen
4. Pyry Seppälä
