Code for the Look-around environment

Once you are signed in, insert the course code that you received from Tri Tran into the "Code entry" field that you can find at the bottom left of your my.inchainge.com portal

- The code for the Look-around environment is: K5yA-uMSq
- The code for the real simulation will be distributed later in class

The image shows a user interface for entering a course code. On the left, there is a text input field labeled "Code" with a red border, and a yellow "Submit" button below it. To the right of the form is a decorative illustration featuring various educational and technological icons: a smartphone, a pencil, a gear, an eye, an open book, a laptop, and a document, all connected by dashed lines.
