Woven Fabrics Studio, Fri 10.11. – Tue 5.12.2023 (MUO-E1075)

Teachers: Maarit Salolainen and Petra Haikonen, Workshop masters: Tiina Saivo and Petra Haikonen, Tutor: Venla Elonsalo

During the contact teaching mentioned in the schedule everyone should be present. Attendance at the WeavePoint lectures, tutored working at the workshop, and other group lessons are obligatory. Outside of the fixed schedule students can work independently during the opening times of the workshop. The Weaving workshop is closed on Monday mornings until 13:15 due to the maintenance break. Note that you need to plan your independent work (69h) and personal reflection (32h) for this learning-by-doing method (= 6 credit points).

Participation is confirmed by the student's presence on Friday 10.11.2023 at 13:30. **The preliminary task should be prepared for the first lesson**. Information about this assignment has been emailed to each student through MyCourses and can be found on the MyCourses homepage.
