

## Group 4

- First author is the one who contributed most to the work.  
Substantial part
- DO NOT INCLUDE: GIFT WRITERS, GHOST WRITERS
- Sequence of authors should be determined by the relative overall contribution writing of the manuscript.
- As a common practice the senior writer appear as the last regardless of his/her contribution.
- Senior writer sometimes takes the responsibility of writing the paper.
- if there is disagreement, discuss about it in a meeting.
