**SUMMER SCHOOL '24**  
DIGITAL ENTREPRENEURSHIP FOR PARTICIPATORY DEMOCRACY  
24 - 28TH JUNE | BUDAPEST

# Summer School 2024: Digital entrepreneurship for participatory democracy

In the 2024 edition of PORTFOLIO Summer School, participants are expected to **Find, rethink or create digital solutions for participatory democracy that contribute to deepening societal change.** The aim is to have students *embrace and tackle the challenges of vulnerable platforms, inclusive methods, digital lobbying, alerts, misinformation while also enhancing European values.*

We **expect applications by April 15th of students** from PORTFOLIO Erasmus+ project partner universities who are engaged to develop solutions for pressing social challenges with the help of digital tools, are ready to learn and work in internationally distributed teams.

For more information, ask your local teachers! Please, see here your university's contact for applying : <https://www.inter-connected-education.eu/news-1>

Representatives of partner universities will evaluate the applications and **inform about the decision until the first week of May.**

Summer School is a **2 ECTS course**, all costs of participation are covered (see below).
