Pitches and Meetings between the Clients and Teams

9.10.2024

Jari Vanhanen

Agenda

- 16:15 Welcome, Jari Vanhanen
- 16:25 Pitches by the Clients
- 17:20 Moving to the lobby
- 17:25 -> Meetings between the Clients and teams

Pairing the Clients and Teams

1. Clients give the pitches (**2 min** per topic)
2. Teams meet their favorite clients
 - **TU1:** A-G (all Aalto topics)
 - **Lobby:** K-Y (Beamex - VTT)
 - **Zoom** (TU3/TU4/1593): M (Cadentia), N (Droppe)
 - schedule is on the Google Sheet and on the info desk
 - any team can use the empty slots to discuss with some additional client
3. By **Thu 10.10. 11:00 am**
 - **Clients send their prioritized list of teams to the teacher (Jari) by e-mail**
 - teams update (**bold**) their prioritized list of Clients on the “Teams” sheet
4. Teacher pairs the teams and Clients on Thu 10.10.
 - automatic match, if both the Client and team prioritize each other #1

Come to the info desk, if you can't find each other

A Tip from the Previous Clients

While choosing the team, appreciate motivation, as that can make a big difference, and not only the current skill set.

- **Client Info on Fr 11.10. 13:00 - 13:30** (+ time for questions)
 - in Zoom
 - the link has been sent in e-mail to all the Clients
 - Client's role and more tips
