

CS-E4800 Artificial Intelligence

Jussi Rintanen

Department of Computer Science
Aalto University

January 10, 2019

Exercise Groups

- Course assistants

Dr. Lukas Ahrenberg
lukas.ahrenberg@aalto.fi

N. N.
@aalto.fi

- weekly exercise groups
 - 1 Tuesdays 14:15–16 hall T1 (CS building) N.N.
 - 2 Tuesdays 16:15–18 hall T2 (CS building) Lukas
- First sessions on January 15

Lectures

- Thursdays 12:15–14:00 hall 202a, Otakaari 1
- Course registration deadline **January 14**
- Lecturers

Tomi.Janhunen@aalto.fi

Jussi.Rintanen@aalto.fi

TC315 <https://users.ics.aalto.fi/ttj/> TC311 [rintanen.info/jussi/](https://users.ics.aalto.fi/jussi/)

- Office hours Tuesdays and Thursday at 8–9:30
- Preliminary lecture schedule in MyCourses

Course Communications

- Course homepage can be found in MyCourses with the course code CS-E4800.

<https://mycourses.aalto.fi/>

- All course material available on the MyCourses page
- All exercises will be returned through the MyCourses page

Course Format

- 10 weeks of lectures + exercises
- Participation in lectures **strongly recommended**
- No textbook!
- All material published in MyCourses
- All exercise results returned through MyCourses
- Exercise types:
 - programming exercises (Python)
 - multiple choice questions
 - others

Course Format

- Grades heavily rely on exercises
- All exercises to be completed **independently**
- When two students return (partly) the same code, **heavy penalties** (for both)
 - Ask help from course assistants if in trouble
 - Do things early, to leave time for asking help

Course Format

- lectures + exercises + exam
- Every week, max 100 points given from completed exercises
- Max 200 points from exam
- Minimums to pass the course with lowest grade:
 - at least 300 points total
 - at least 15 points from exercises every week
 - at least 50 per cent of exam points
- A passing grade is determined by:
 - 300 ... 449 points → grade 1
 - 450 ... 599 points → grade 2
 - 600 ... 749 points → grade 3
 - 750 ... 899 points → grade 4
 - at least 900 points → grade 5
