

1_Analysis

Task Each of you is assigned to one specific building in Helsinki. Prepare a graphical analysis of its main façade.

Draw a detailed elevation of the main façade on one sheet of paper.

Refer to the layout sample.

Describe the façade in written form.

Present your work by reading the explanation text.

Draw black lines on white paper. Use 3 line thicknesses (0,08 / 0,13 / 0,18). Show the depth by using shadows. Shadows and colors shall be presented as background hatches without contour lines. Glass hatch 33% black.
