

2_Models & Drawings

Task Your site is located in Punavuori at the street corner Merimiehenkatu / Albertinkatu. The existing building will be replaced by a new building designed by you.

Refer to the reference plans.

For the models use one type of grey cardboard and the laser cutter and fix them on MDF basement plates.

For the drawings refer to the drawing specifications of the analysis part.

Form groups and make:

1. Volumetric site model including topography, buildings and streets
2. Detailed façade model of the neighbouring buildings
3. Detailed elevation drawings of the neighbouring buildings
