Luonnostelutekniikat ja niiden mahdollisuudet

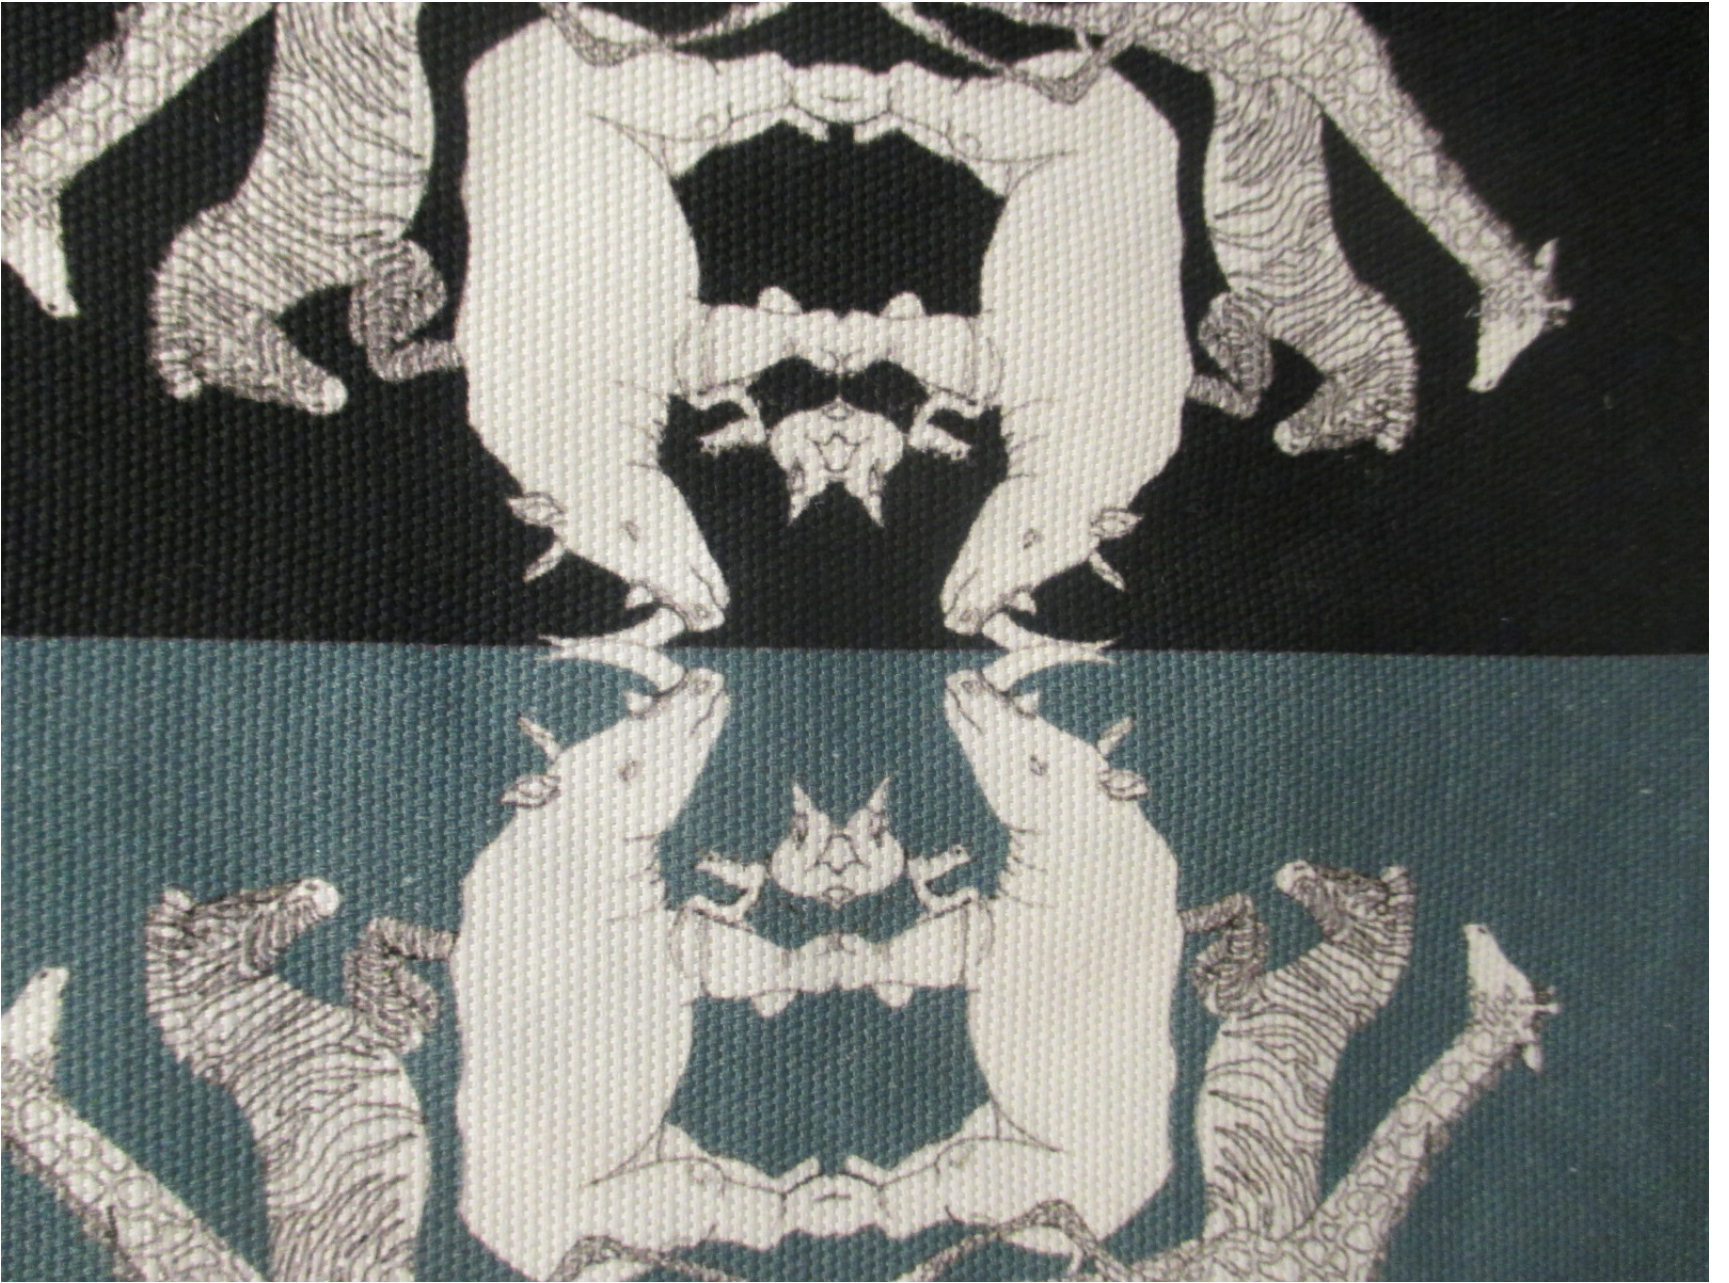

Illuusiot ja kuvamanipulaatiot

Suurennot

Materiaali-illuusiot

Kuvan- ja kuvion räätälöinti suoraan vaatteeseen

STEP 11
 Arrange a selection of costume
 jewelry on a mannequin covered in black
 fabric. Use a digital SLR camera and shoot
 the mannequin at the highest
 resolution. This will allow the image to
 be printed at its maximum size with no
 loss of detail.

STEP 12
 You could also photograph
 the jewelry against a black background
 and use a mannequin to wear it.
