

4_Detail

Task Draw a construction detail of your façade.

Choose a representative window and draw a horizontal and an vertical section of it in combination with a detailed elevation on one sheet of paper. Define detailings and materials.

Use max. 3 line thicknesses. The elevation shall be colored and the sections black and white graphics.

Dates	Assignment	08.04.2019	17:00	Paja R027/PS1
	Presentation	06.05.2017	13:00	Paja R027/PS1

Submission	Sections + Elevation	Scale 1:20	DIN A3 sheet, portrait
	Model-Slice 10-15cm	Scale 1:50	grey cardboard, full building height + detailing
