

Homework Assignment 8

Homework assignment for the 5th support appointment, 2.8.

Dress rehearsal of the Shark Tank!

Prepare a pitch to present your product idea and business model to a panel of judges. This is the final opportunity to get feedback for your pitch before Shark Tank.

Please bring a 3D printed prototype of your product to class to support your presentation. You will have 15 minutes total for pitch & discussion afterwards, so try to keep your pitch around 7 minutes.

Please note that if you print in TurkuAmk, you need to reserve time (at least 3 days beforehand) from **Antti Nousiainen. 040-8216876 antti.nousiainen@koneteknologiakeskus.fi. He is available during July.**

You can print also in service byros with budget up to 500 € If you do this, please contact your tutor.
