# We are looking for trainees

We are now hiring trainees for spring 2020. Our Graduate Program is designed for fresh graduates and students who are on their master's studies in a university or polytechnic.

We are looking for young talents who are willing to

- **Shake it!** You embrace the unknown and you are ready to step away from your comfort zone.
- **Feel it!** You have a positive attitude and you spread it around you.
- **Do it!** You act with speed and experimental approach.
- **Win it!** You collaborate and innovate together with your colleagues and customers.
